DETAILED INFORMATION

Accommodations, furnishings & layout

This vessel provides her captain and crew an incredible amount of living space for long voyages. The full enclosed and air conditioned aft deck makes for a second salon. The 3 stateroom & 3 head layout gives everyone their own space. The staterooms accommodate for a total of 6 owners & guests.

The vessel is easily boarded from the wide cockpit gunwales or from the port & starboard mid ship boarding gates. The vessel also includes a 5-step marquipt ladder, a 3-step boarding ladder and a large swim platform for arrivals by dinghy.

The large cockpit benefits from an awning to protect passengers from the sun. Other cockpit features include large bait freezer, large dunnage boxes, and a sliding door to the aft master cabin. Six steps up from the cockpit brings you into the large enclosed aft deck. This huge space recently benefited from a new hard enclosure of tinted windows which can be slid open. The wet bar was upgraded with new GE refrigeration, new stove top, and new microwave. This air condition area comfortably seats six people and provides a great view while at anchor. Port & starboard wing doors forward provide crew quick access to the side decks and bow. The bow has sturdy stainless steel hand rails, fender brackets, boarding ladder brackets and a Maxwell windlass.

A 4-step ladder from the front of the aft deck provides access to the flybridge. 2 captains chairs are located behind the central helm. A host of mechanical gauges and electronics provide information to the captain to make navigation to exotic destinations a breeze. Other bridge features include an aft L-shaped settee pedestal table, new Garmin chart plotter, new Isinglass enclosure and access to the aft hard top deck for storage of a tender. A beautifully etched glass door with a Tommy Bahama screen ushers you from the aft deck into the beautifully appointed salon. Immediately to starboard is an L-shaped settee with a Teak pedestal table. Across to port is a row of Teak cabinets with abundant storage and a large flat screen TV.

Forward of the salon to starboard is the U-shaped dinette. 6 people can dine on a double pedestal table surrounded by art work, pothole, and custom wall valances. Across to port is the galley with a new home size Haier refrigerator, new stove top, new microwave, and Corian counter tops with abundant storage.

Forward of the galley is the VIP stateroom with en-suite head & shower. The stateroom was converted to a stand alone unit. Other stateroom features include island queen birth, deck hatch, 2 portholes, Teak cabinets and wall coverings, and a flat screen TV.

Aft of the salon is the 2nd guest cabin and full beam master stateroom. The second guest cabin has a single birth that slides out to a full bed, sliding window, Teak cabinets, and lots of storage. Across to the port is the 2nd guest head with separate stall

shower.

All the way aft is the full beam master. 2 long hull slide windows plus aft door window along with large mirrors bathe this cabin in natural light. There is a vanity to starboard with mirrors and lighting. This cabin, as well as the other cabins, benefit from new synthetic flooring. Other cabin features include large hanging lockers, flat screen TV, abundant storage, and a full ensuite head with separate shower stall.
