SPECIFICATIONS

Overview

Purrfect is in "like New" condition, clean and the best equipped Sun Cat on the market. Completely equipped to sail and/or trailer away, including her quick rig sailing system that allows one person to get the rig up safely in minutes. She sleeps 2 on 6'5" settee berths and is ready to cruise with marine porta-potty, trailer, 6hp outboard motor, electronics, and even a solar battery charger.

Purrfect is a roomy, safe and easily driven daysailer with overnight capabilities. Clark Hill designed her to be a stable, speedy and safe boat in a steep chop; just like the famous Cape Cod Cat boats that worked in the early 1900s. Her shoal draft (14" with board up) allows exploring places most sailors can't think of going.

Ask about a potential 50% discount for slip and storage at an upscale Rhode Island marina where there is no sales or use tax. Please see the Full Description for the full list of options and photos. Why buy new?
