SPECIFICATIONS

Overview

LOVE N LIFE is the perfect size yacht offering the premium build from Princess Yachts. Once onboard the volume of her 23'.2" beam offers an airy interior, impressive and extremely manageable for personal or charter use.

For the owner, a beautiful full-beam master with spacious bathroom and walk-in closet, and plenty of natural light from the over-sized hull side windows. There is a personal refrigerator in the owner's cabin.

The VIP cabin forward is a suite of its own, being comparable to most master staterooms. The third is to port with a spacious queen bed and ensuite bathroom. The fourth cabin to starboard features a pleasant side-by-side twin berth arrangement with its own ensuite bath.

The main deck layout flows perfectly throughout the yacht from her aft deck dining tables and service bar right through the fully opening glass salon doors, that hosts incredible interior volume for entertaining with piano and full AV and formal dining for 8 guests.

Galley located forward has great storage and prep space with day head. Port and starboard access doors from the pilothouse allows access to the full walk around deck and sun pad on the bow. **LOVE N LIFE** has one of the best flush deck flybridge arrangements in her class with the hardtop option and power sunroof over yet again a third place to dine at a large table for eight. This area is also highlighted by a full service bar with BBQ and tremendous sundeck aft. She is fast and stable with zero speed stabilizers and ASEA global shore power systems. A must see for all 100 buyers.

Pull up to the high-low swim platform, and ???store??? your cabin in the large freezer shower, then walk around the side deck to your sun pad under the Bimini on the bow.

A few of the many upgrades and features:

- Upgraded MTU 16V2000-CR M94's, 2650 hp engines, cruising speed 24 knots, max speed 28 knots, low hours
- Zero speed stabilizers

Remarks

LOVE N LIFE shows pride of ownership. the 95 Princess has proved itself in the charter / owner world for over a decade. The size of the flybridge cannot b understated, with the 23' beam and no tender, the area for entertaining is enormous, equivalent to the area commonly found on 112' motroyachts.

- The aft deck garage creates a mini-beach club environment
- The crew area is designed to keep crew and guests separate as much as possible
- Walk-around side decks
- Bridge clearance 28' with mast down
- Sleeps 8 guests
- Sits over 20 for parties
- (3) Chillers - runs on 1 or 2
- One generator can run the whole boat

Exclusions

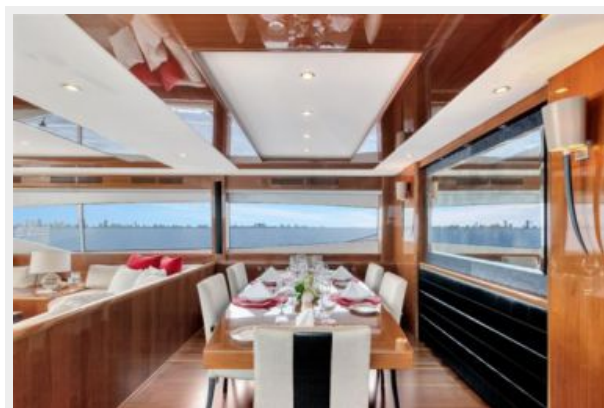

Owner's personal belongings.
