# DETAILED INFORMATION

---

## Accommodations

---

Hatteras's optional 4 stateroom 4 head layout with Open bridge, Norma Jean has only had the best of owners with continuous annual upgrades. Finished in cherry wood with many factory upgrades. The Salon offers a large U-shaped sofa to port and entertainment center to starboard with a 50' HD TV with Bose life style surround sound, Galley is on main deck up one step with dinette to STB, there are two large attic spaces with ample storage. Down and aft features full beam Master with centerline king, ensuite head and shower and large opening ports to either side, large closet and ample drawer storage. Vip is forward with centerline queen, ensuite head and shower, large storage beneath the queen berth with easy access. The two guest staterooms feature double bunks, starboard guest features side by side with ensuite head and shower and port side guest offers over under bunks with access to day head and shower. Fly bridge is open with 3-sided glass, large u-shaped settee with L shaped to starboard, Carolina edition helm with Murray bros helm chairs, all Garmin electronics upgraded, flat screens with Furuno radar, Tower with repeater and controls. Cockpit that features 192 square feet with optional mezzanine deck and seating of 25 square feet. She is a massive 68' sportfish yacht that is in ready condition, which had full paint in 2015.

Norma Jean is Turn Key Ready!

## Salon

---

- Carpeting
- Padded panel headliner (installed on track system for service access)
- Fluted wood valances with 2" wood blinds
- Nuematic sliding full glass salon door
- 50" HD TV with omnidirectional antenna
- Bose Lifestyle 35 home theater with AM/FM, CD/DVD, and surround sound speakers
- Whirlpool ice maker
- Fixed frame less windows with tinted safety glass
- AC and DC lights and fixtures
- AC dimmable lights
- AC duplex outlets
- U-shaped lounge with rod storage
- Air conditioning dispersed through fluted valances

## Galley/Dinette

---

- Galley counter tops (American Tile) Old gold/golden beech with bull nose edge
- Amtico vinyl-strip flooring
- Padded panel headliner (installed on track system for service access)
- Fixed frame less windows with dark tinted safety glass
- Microwave/convection oven covered by cabinet door
- AC and DC lights and fixtures
- AC dimmable lights
- AC duplex outlets
- Genuine wood inserts to match interior finish on appliance fascia
- U-shaped dinette with drawer
- AC under counter refrigerator with 6 sub zero drawer
- AC four-burner ceramic cook top
- One-half hp continuous feed garbage disposal
- Air conditioning dispersed through fluted valances, port and starboard
- Fluted wood valances with 2" wood blinds
- Trash compactor
- Central vacuum outlet
- U-shaped settee with dinette featuring granite table

## Lower Companion Way

---

- Carpeting
- Padded panel headliner (installed on track system for service access)
- Wall covering
- Flush-panel genuine wood doors to match interior finish with door stops to masterstateroom, guest stateroom and day heads
- DC light fixtures
- Access to port/starboard storage with DC light
- Access hatches to all bilges
- Washer/Dryer

## Full Beam Master Stateroom

---

- Carpeting
- Padded panel headliner (installed on track system for service access)
- Padded panels on hull side(s) and bulkhead(s) (installed on track system for service access)
- King-sized tapered berth with upholstered headboard
- Upholstered berth base
- Walk-in cedar-lined hanging locker with door and automatic light
- Nightstands, port and starboard, with drawers
- Dressers, port and starboard with drawers
- 19" HD TV Bose® 3-2-1 GS with AM/FM and DVD/CD w/speakers
- Full-length mirror
- AC and DC lights and fixtures
- AC dimmable lights
- DC low-voltage lights under berth
- AC duplex outlets
- Private access to head
- Smoke detector
- Carbon monoxide detector
- Air conditioning dispersed through fluted valances, port and starboard
- SMXH VAC compartment controlled
- Ventilating port lights, port and starboard

## Master Head

---

- Amtico vinyl-strip flooring
- Padded panel headliner (installed on track system for service access)
- Wall covering
- Solid-surface counter tops with solid surface back splash,
- Sink over storage cabinet made of genuine wood to match interior finish with bowed fronts
- Hardwood base boards
- Shower with single door, seat and automatic enclosed sump pump
- Storage cabinet with mirror
- Towel bar
- Head hunter fresh water toilet 120 volt
- AC air freshener blower
- AC and DC lights and fixtures
- DC low-voltage lights under toe kicks
- AC duplex outlet
- Plexi-mirror around upper cabinet
- Air conditioning discharge
- Holding tank  $\frac{3}{4}$  full indicator light

## VIP Guest Stateroom

---

- Carpeting
- Padded panel headliner (installed on track system for service access)
- Padded panels on hull side(s) and bulkhead(s) (installed on track system for service access)
- Queen-sized tapered berth with upholstered headboard and cedar-lined storage underneath
- Upholstered berth base
- Polyfoam mattress
- Cedar-lined hanging locker with automatic light
- Nightstands, port and starboard
- Built-in dresser, port and starboard
- 19" HD TV Bose® 3-2-1 GS with AM/FM and DVD/CD w/ speakers
- Full-length mirror
- AC and DC lights and fixtures
- AC dimmable lights
- DC low-voltage lights under berth
- AC duplex outlets
- Private access to head
- Smoke detector
- Carbon monoxide detector
- Air conditioning dispersed through fluted wood soffits, port
- Screened overhead hatch with privacy cover
- Overhead storage lockers, port and starboard

---

## Starboard Guest Stateroom

---

• Carpeting• Padded panel headliner (installed on track system for service access)• Padded panels on hull side(s) and bulkhead(s) (installed on track system for service access)• Convertible twin/queen berths with upholstered headboard and storage under berths• Upholstered berth bases• Polyfoam mattresses• Cedar-lined hanging locker with door and automatic light• Nightstand with drawer• 19" HD TV DC AM/FM stereo receiver with CD/DVD player and speakers• Full-length mirror• AC and DC lights and fixtures• AC dimmable lights• AC duplex outlets• Private access to head• Smoke detector• Carbon monoxide detector• Air conditioning dispersed through fluted wood soffit• Blanket locker• Central vacuum outlet

---

## Port Guest Stateroom

---

• Carpeting• Padded panel headliner (installed on track system for service access)• Padded panels on hull sides and bulkhead (installed on track system for service access)• Upper and lower berths with cedar-lined storage under lower berth• Polyfoam mattresses• Dresser with drawers• DC AM/FM stereo receiver with CD player and speakers• Full-length mirror• AC and DC lights and fixtures• AC dimmable lights• AC duplex outlets• Private access to head (standard four head arrangement only)• Smoke detector• Carbon monoxide detector• Blanket locker, outboard

---

## Guest Heads

---

• Amtico vinyl-strip flooring• Padded panel headliner (installed on track system for service access)• Wall covering• Solid-surface counter tops• sink over storage cabinet made of genuine wood to match interior finish with bowed fronts• Hardwood baseboards• Stall shower with door, seat and automatic enclosed sump pump• Upper storage cabinet with mirror• Towel bar• Head hunter fresh water toilet 120 volt• AC air freshener blower• AC and DC lights and fixtures• DC low-voltage lights under toe kicks• AC duplex outlet• Plexi-mirror around upper cabinet• Holding tank  $\frac{3}{4}$  full indicator light• Screened overhead hatch with privacy cover (bow and starboard head only)

---

## Flybridge

---

• Systems monitor with programmable logic controller readout• Visual and audible signals for engine, alternator, high bilge water, fire warning in engine compartment• Fire extinguisher discharge, AC power loss, smoke detectors, battery voltage• Holding tank monitor, and carbon monoxide detectors• Molded fiberglass• Upgraded Garmin electronics with 4 flat screen monitors• GP link, AIS• Icom VHF• Simrad autopilot repeater• Furuno RD30 depth and temp• Polished anodized welded aluminum rails and stanchions• Straight lounge to starboard• U-shaped lounge forward around to port with removable vinyl-covered poly foam cushions and storage underneath• Center control station with all switches• Compass with dimmable light• Pod

console with custom wheel and single-lever clutch and throttle controls (electronic) with emergency backup, engine synchronization, and trolling valve control switches • Hydraulic power-assisted steering • Twin Murray Sea-19 adjustable teak helm chairs with stainless steel hardware and footrest upgraded • DC AM/FM stereo receiver with CD player and speakers • Fuel level gauges • Rod storage in port, starboard and aft lounges • Top-loading insulated drink box • Neutral interlock switches allowing engine to start in neutral only • Powder-coated grab rails • AC weather proof receptacle • Aft facing seat, aft of chill box and starboard lounge • Top-loading deep freezer, 8 cubic feet • 3/4 Lexan flybridge enclosure

## Tower

---

### Hardtop with:

- Three GPS antennas • KVH TracVision antenna • Hardtop light

### Fiberglass console with:

- Ritchie compass • Engine stop switches • Electronic Caterpillar engine controls • Steering wheel • Padded bolster • Seat with cover • Helm cover • Midrigger • Anchor light • Forward navigation light

## Cockpit

---

• New Teak Cockpit Sole • Molded fiberglass • 192 square feet including 25 square feet of seating • Seating with cushions across upper mezzanine • Polished anodized aluminum ladder to flybridge with acrylic steps • Transom door • Fiberglass cockpit boarding step box with storage • Sliding glass door to deck house • Amplifier, speakers, and volume control integrated with Bose® salon stereo DC • Multicolor over head lights under flybridge over hang • Powder-coated grab rails on cabin side • Seating for access to engine compartment • Seawater and freshwater wash down outlets with Hatteras patented quick disconnect • Shore water connections with pressure-reducing valve and Hatteras patented quick disconnect, one each port and starboard • Two tackle drawers with perforated stainless-steel bottom, covered by cabinet door • Starboard mezzanine 10 cubic foot bait freezer, port mezzanine • Three 18 gallon storage tubs, lower level mezzanine • Two 65" fish boxes with macerator • Storage in steps to deck house, with chill box • Aluminum mounting plate • Laminated in deck for fighting chair • Polished stainless-steel rod holders, flush mount • Set of 4 Transom hawsers Scuppers • Cockpit Coaming lights • Utility Room Freezer, 4.6 cubic feet • AC duplex outlet • AC and DC lights and fixtures • Central vacuum

## Hardware and Miscellaneous

---

- Wood bulkheads, cabinetry and trim with a satin or high-gloss polyester finish in cherry or African mahogany • All hardware polished chrome with brushed chrome in galley • Fiberglass

pulpit with welded and polished stainless steel anchor chute and roller• 60-pound Danforth anchor, anchor line and deck hawse pipe• Windlass,2500lb.with 2 5feet of acculoy hot dipped galvanized chain and 300 feet of rope with deck mounted controls• Bow thruster tube• Four polished stainless-steel springline cleats with chafing strips, through- bolted in aluminum backing plate• Polished stainless-steel bow cleats and chocks with chafing strips, through-bolted in aluminum backing plate• Two polished stainless-steel stern cleats and hawse pipes, through-bolted in aluminum backing plate• Polished anodized welded aluminum rail on bow side• Fog bell Dual air horn• Zinc on rudders and shafts• Alloy 22 high- strength propeller shafts,• 4-inch Manganese bronze dripless rudder seals• Dripless shaft seals with spare seals• Stainless- steel trim tabs• Manganese bronze struts• Stainless-steel rudders• 8-blade propellers, Nibral high performance• Central vacuum system• Deck plates for fuel and water fills and waste pump out• Heavy duty engine couplings• Generator exhaust,• Locker on bow deck

## Electrical

• Two 27.5 kw freshwater-cooled Electronic Quiet Diesel Onan generators(D)with shock mounts• Two 24-volt banks of heavy duty,12-volt marine batteries mounted in fire- retardant fiberglass boxes• U.L.1426 listed boat cable, tin coated with insulation• Gel/lead acid compatible 240-volt automatic/ programmable battery charger, 50/60 Hz• Automatic battery paralleling system with switch at control console• Two 240 volt, 50 amp, transformer connected retractable shore cords with overcurrent protection and wireless remote control (cockpit)• AC and DC lights and fixtures• AC dimmable lights• AC duplex outlets with ground fault protection• Battery control panels with fuses and isolation switches• DC electronics panel with magnetic circuit breakers (flybridge)• AC and DC distribution panels with magnetic circuit breakers• AC switching panel with voltage source selector switches, volt meter, ammeter,frequency meters, twin generator start/stop controls,interlock selector breakers and voltage boost switches• Navigation lights• Ground fault protection on AC receptacles and lighting circuits• Air conditioning,66,000 BTU(96,000 BTU with enclosed bridge), with reverse-cycle heating with A/C compressors, individually controlled by SMX controls• Omni-directional TV antenna• Ventilation fans in attic space

## Annual Upgrades

### 2020 Updates

• NEW AIR HANDLERS• NEW AIR CONDENSERS• NEW COCKPIT TEAK SOLE• NEW POLY CARBONITE BRIDGE ENCLOSURE• NEW AIR HANDLERS x 3• NEW MAIN DECK HEADLINERS• FULL REFRIGERATION SERVICE• FIRE SUPPRESSION SERVICE• YARD PERIOD ANTI-FOULING, TUNED PROPS, PROP SPEED• SOFTWARE UPDATE (ELECTRONICS)• FRESH CERAMIC EXTERIOR COATING• NEW SALON SOFA• NEW COCKPIT SHADE COVER

### 2019-

- Exterior ceramic coating• KVH sat dish• Wave Wifi• VHF antennas• Stateroom HD TVs• Canvas• Outrigger re rigging

## 2018-

- Inverter with 8 Northstar batteries• 1600 Brower davit (hydraulic up/down/rotate/manual extension)• LED UW lights• Garmin 8500 system with new tower displays

## 2017-

- New shaft, Rudder seals and collars replaced, props balanced• Warranty Info: Platinum Plus Advantage policies that expire February 3, 2020 or 15,000 hours, whichever comes first.

## 2016-

- New stereo, exterior amps, cockpit, bridge, 10 speakers total, fusion head unit, and JL audio speakers and amps• Spot zero water purification system• Crestron salon and master• Apple TV• 3000 hour CAT service - all new hoses engine room

## 2015-

- Tower clear coat, pipe welders• New bridge enclosure, new cushions on bridge and cockpit• Full exterior paint• New teak bridge deck• Electronics package: New Garmin plotters 4, new salon TV

## Factory Custom Options/Upgrades

- Engine selection (CAT C-32A 1800 BHP)• Wood and finish selection (Cherry High Gloss)• Four stateroom, four head lower arrangement• Open flybridge selection• Fiberglass pulpit• Windlass, 2500 pound upgrade to 300 3/8 chain with divider, deck mount control switches• Lift Up Coaming gate block• Fish box with Recirculating Live well Cockpit• Chipped Ice machine, Eskimo• Flir water maker• Teak cockpit sole, natural finish• Carolina edition teak helm pod, Carolina edition teak mezzanine deck (including steps)• Down wing station with clutch & throttle controls• Wet Spot water cleaner• Air Conditioning blowers For cockpit overhang• Wash down, freshwater, fore deck• Underwater lights - multicolor 2018 led• Freezer & inboard storage box• Cockpit pneumatic sliding door,• Aft salon windlass, 2500 upgrade To 300 3/8 chain with divider• Fusion stereo with 2 amps• Cockpit plexi• Galley and salon has raised panel cabinet doors• Third Unit, Sub Zero under counter appliance (2 Ref and 1 Freezer)• Pompanette wing board rod holders• Galley trash compactor (Fwd)• Port cockpit fish box• Insulated stbd cockpit fish box• Insulated Bow and Flybridge rails and ladder -aluminum• Galley counter tops (American Tile) Old Gold/Golden Beech with bull nose edge• Dinette top (American Tile) Old Gold/Golden Beech with bull nose edge• Galley flooring (Amtico) Rosewood W707E with accent strips of (Amtico) Pastel Ash W713E• Master head flooring (Amtico) Rosewood W707E with accent strips of (Amtico) Pastel Ash W713E• Hull and super paint (Alexseal) Cloud White, T9132 Boot Stripe Royal Blue (Axelseal); Full paint 2015

## Exterior Finish/Construction

---

- White Blister-resistant vinylester resin in hull bottom skincoat
- Hull and super structure linear polyester/polyurethane coating
- Polymer/copper-based anti-fouling bottom paint
- Boot stripe
- Linear polyester/polyurethane coating
- Decks, non-skid surface
- Polyurethane paint with polymeric beads
- Solid fiberglass hull bottom
- Hull sides and super structure laminated with PVC foam core
- Fiberglass stringers
- Resin infused composite construction using PVC foam core with layers of fiberglass laminate on each side

## Engine/Bilge

---

- Water manifold with centralized shut-off valve for sinks and showers
- Pultruded fiberglass rudder shelf
- AC fluorescent lights
- DC lights
- DC exhaust blower
- Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers with extended warranty thru 2020
- FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Two 27.5 kw freshwater-cooled Electronic Quiet Diesel Onan generators (D) with shock mounts
- AC compressed air system with air line and regulator
- 24-volt DC bilge and sump pumps: four at 3700 gph, two at 3800 gph and three at 2000 gph, with heavy duty float switches and protective guards
- Auxiliary emergency bilge pump, 300 gpm in lazarette
- Bronze/chrome plated ball-valves through-bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout
- Pressurized 230 volt AC fresh water pump
- AC/DC water pumps
- 230-volt AC 40-gallon electric water heater
- U.L. Marine-listed fiberglass fuel tanks constructed with fire-retardant resin and bronze fittings, and coated with fire-retardant paint
- Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for food and drugs
- Fiberglass holding tanks, constructed with bronze fittings and 24-volt DC sewage pump, plumbed for dock side pump-out, with  $\frac{3}{4}$  full display and alarm as part of systems monitor programmable logic controller
- 110-volt AC reversible oil changing system for engines, gear and generator with Hatteras patented quick disconnect
- U.L. Marine-listed fuel filter/water separator, generator
- Sealed shower sumps
- U.L. Marine-listed duplex fuel filters/water separators with bypass manifold, engines
- Electric fuel priming pumps
- Welded and polished stainless-steel grab rails
- Painted polyurethane engine room and bilges
- Air conditioning compressors and pumps
- United States Coast Guard type A1 U.L. Marine-listed fuel lines isolated discharge sea chests
- 1" stainless-steel steering tie between engines
- Seawater pressure system with AC pump
- Generator 3000 hour service
