## Overview

---

The 43 MK III is one of legendary Ted Irwin's most successful designs and Ancora Qui is not your average Irwin 43! She has been outfitted over last few years as a long distance passage maker, capable of extended cruising in remote locations. The list of upgrades and improvements is extensive, making her the best equipped Irwin 43 on the market today. Designed as the ultimate cruising yacht, with solid performance under sail and great live aboard attributes, Ancora Qui can get you where you want to go; and once there you can stay as long as you like in comfort, on or off the grid. Check out the "Upgrades and Improvements" section below and you will appreciate the capabilities of this beautiful yacht. She is ready and waiting for her next voyage so call for a showing today!

Sealed sump system for all house drains

---

## IRWIN 43 MK III ANCORA QUI WALKTHROUGH

---

### COCKPIT

The spacious cockpit features a 270 degree cushioned seating for 8 around the helm and a folding dual leaf, teak cockpit table. The helm has a destroyer wheel wrapped in ropework, magnetic compass, B&G instrumentation, USB charging ports, and engine controls.

Moving forward of the helm stereo speakers are mounted port and starboard in the coaming, with two cubbies found on either side of each speaker.

Two Barient 27 2-Speed self-tailing winches for foresail trim are mounted on the cockpit coaming just forward of the helm stations. An additional Barient 27 2-Speed self-tailing winch for running rigging trim is mounted on the starboard cabin top.

The cockpit is protected from the sun and sea by a full enclosure with screen inserts.

### AFT DECK AND SWIM PLATFORM

The stern of the yacht features a custom Sail arch, which houses, a wind generator, solar panels, outboard davit, outboard mount and bench seat. The swim/boarding platform is accessed from a stern mounted ladder. The oversized platform is a great place to enjoy the water and doubles as a boarding area for the tender. The platform, has a folding swim ladder and is hinged, so it can be raised to the vertical position when underway. The aft deck is completed by two hatches and two transom lockers.

## TOPSIDES

Moving forward the deck is protected by a stainless steel bow rail and the Sail arch at the stern connected by dual lifelines running the length of the deck port and starboard; gates are found just forward of the cockpit, port and starboard. A Lifesling man overboard recovery system is mounted on the starboard side of the Sail arch with the tender outboard mounted on the port side.

Seven hatches are found on the forward and aft cabin tops, three teak hand rails run along the port and starboard forward and aft cabin tops. Twelve opening portlights are mounted IN the hull and 4 fixed portlights are found along cabin TOP sides.

Foresail tracks run along on the port and starboard gunwales, which are raised and capped with teak. Cleats are found at the bow and stern and on the tracks.

There is a bowsprit with dual anchor roller mounts at the bow along with an electric windless, two chain locker ports and a washdown spigot. The bow is completed by two cleats with hawseholes. Moving aft a deck box is centerline mounted for jerry can storage.

The single spreader, masthead rig features a headsail roller furler, a sailpack for the main and a mechanical boom vang. A Barient 17 winch is mounted on the port side of the mast for halyard management. The standing rigging is stainless wire cable.

## MAIN CABIN

Entering the main cabin from the cockpit via a center mounted companionway a large salon opens up with seating for seven. The main cabin, as well as the rest of the interior, features teak paneling, teak appointed joinery and a teak and holly sole. With an L shaped settee with teak table to port and a straight settee to starboard, the salon offers a spacious and comfortable area for the crew to gather. Storage lockers with fixed portlights above are found along the port and starboard sides. A bar locker with ice maker is found in the aft port corner of the salon, with a chest of drawers opposite in the starboard forward corner. The salon features, two stereo speakers, overhead lighting and reading lamps along with two oil lamp sconces. Ventilation is provided by two overhead opening hatches, the cockpit companionway, two fans and air conditioning.

## GALLEY

The U-shaped galley is located on the starboard side aft of the salon and features a Force 10 stove/oven, with counter top cover, double stainless steel sink and a huge top access refrigerator freezer. Storage is provided by over and under counter lockers, drawers and shelving. A wine glass rack and spice rack help keep the galley neat and organized.

## NAVIGATION STATION:

The navigation station is located opposite the galley on the port side, aft of the salon. The station features a teak, double lift top nav table with a swing out seat and locker beneath. The electrical panels and a barometer are found above, along with the B&G VHF Radio and shelving. The

stereo radio, EPIRB and hand held VHF radio are mounted on the aft bulkhead. A full length hanging locker is found just aft of the nav station.

## AFT CABIN

The full beam aft cabin is found aft of the nav station and features a centerline, walk around, queen berth, vanity and private ensuite head. Shelving runs along the port and starboard side with lockers and drawers underneath. Additional storage is provided by a hanging locker, with a shelf atop, and drawers under the berth. The vanity is found on the forward bulkhead between the cabin and head doors and features a lift top counter, mirror and overhead lighting. Additional light is provided by overhead cabin lights. Ventilation is provided opening portlights, port, starboard and stern, two opening hatches, two fans and air conditioning.

## ENSUITE HEAD

The private, aft ensuite head is found in the forward starboard section of the aft cabin. The head features a separate shower, electric marine toilet, and a stainless steel sink with hot and cold running water. Entering the head, the marine toilet is at the aft bulkhead, with the shower in the forward section of the head and the sink found in-between. There are storage lockers above and below the sink and head, with the one above featuring mirrored sliding doors. Other features include a 120 vac outlet, over counter and overhead lighting, and towel hooks. Ventilation is provided by an opening portlight, louvered door panel and air conditioning.

## FORWARD CABIN

Moving forward from the salon, access to the forward cabin is found through a companionway formed by a chest of drawers on the starboard side and a door to the head on the port. The cabin features a v-berth with storage lockers beneath. Shelving runs the length of the v-berth, port and starboard. Additional storage is provided by a chest of drawers and a hanging locker, with countertops, located in the aft starboard section of the cabin. Access to the shared head is found opposite on the port side. Two overhead lights and two reading lamps offer plenty of light in the evening. Ventilation is provided by two opening portlights and overhead hatch and provided by an overhead hatch, a fan and air conditioning. Access to the chain locker is found on the forward bulkhead.

## FORWARD CABIN SHARED HEAD

The forward head can be accessed from the salon/forward cabin companionway or the forward cabin. The head mirrors the aft head and features a separate shower, electric marine toilet, and a stainless steel sink with hot and cold running water. Entering the head, the marine toilet is at the aft bulkhead, with the shower in the forward section of the head and the sink found in-between. There are storage lockers above and below the sink and head, with the one above featuring mirrored sliding doors. Other features include a 120 vac outlet, over counter and overhead lighting, and towel hooks. Ventilation is provided by an opening portlight an overhead hatch, louvered door panels and air conditioning.

## ENGINE COMPARTMENT

The engine compartment is between the galley and navigation station and is accessed from panels in those spaces and also in the aft cabin.

- iplug Media Player stereo system; Bluetooth & USB capable; model MXD339BT
- Monoprice stereo zone switch panel

## **IRWIN 43 MK III ANCORA QUI ELECTRICAL**

---

- 12 VDC electrical system panel
- DC electrical system refit – completed 2019

- \* Improved wiring, safety switches and circuits
- \* All new parts
- 120 VAC electrical system panel
- Generator/Shore Power switching panel
- 2 Renology solar panels, 600 watts total, 24 volt, model RNG-300D – NEW 2019
- Victron Energy charge controller, model MPPT 100/50 – NEW 2019
- Electric Energy wind generator, model D-400 - NEW 2019
- Flexcharge wind generator control module; NCHC-12 – NEW 2019
- Promarine ProNautic Battery Charger; 12-40P - NEW 2018
- Victron Energy (BMW 700) battery monitor - NEW 2018
- Battery switching panel
- Batteries
  - \* House Bank – 8 U.S. Battery AGM Batteries, model 2224 GM - NEW January 2020
    - 960 amp hour capacity
  - \* Starter Battery, model West Marine AGM 55 - NEW - March 2020
- Battery switches
- Vector MAXX SST 3000 Watt inverter, model VECI51GM
- Honda 2200i Portable Generator - NEW 2019
  - \* 30 AMP plug socket for easy connection to vessels shore power plugs
- Windless breaker
- Galvanic Isolator - 2013
- 30 Amp shore power receptacle
- 2, 30 Amp shore power cables
- 50 Amp/30 Amp shore power Y adapter

---

## IRWIN 43 MK III ANCORA QUI MECHANICAL

---

- 
- Yanmar 66 hp 4 cylinder auxiliary diesel engine, fresh water cooled; model 4JH-HTBE; hours: 3384 estimated; ignition replaced 2011
  - 2 Parker Racor fuel filter/water separator, 60 GPH, model 500FG
  - 3 Raw water strainers
  - Dometic 18,000 BTU reverse cycle air conditioning unit - NEW 2016
  - Dometic 10,000 BTU reverse cycle air conditioning unit - NEW 2016
  - Dometic A/C raw water pump, model LC-30
  - March A/C raw water pump, model LC-3CP-MD
  - Dometic Refrigerator unit, 12 vdc, model CU-100 – NEW 2017
  - West Marine 50 psi 2.9 gpm house water system pump; Model: 31395-3001
  - Jabsco house water system accumulator tank
  - Raw water washdown pump w/sea strainer
  - Raritan marine water heater, 12 gal., 120 vac
  - Sealed sump system
  - Primary bilge pump
  - Secondary bilge pump; automatic w/high water alarm
  - Guzzler manual bilge pump
  - Miscellaneous spare parts; plumbing, mechanical, electrical
