DETAILED INFORMATION

40' Sea Ray Sport Motor Yacht WANZELER

WANZELER's is a classic Sea Ray Motor Sport 40 with good, sturdy bones. The inside space of this boat extremely roomy and gives you a nice feeling of home. This boat is a great buy for someone looking to have a floating condo on the water while maintaining the freedom and ability to cruise the beautiful water!

Vessel Walk Through

Boarding the boat from the aft deck swim platform makes for easy access while also having a place to jump into the water while at sea. A 5-step set of stairs on the starboard side lead you onto the raised cockpit area and helm. Here you will find a slight U-shaped seating area big enough for four people around a fiberglass cocktail table. A single aft facing seat is on the port side just forward of the bow access doors. On both the port and starboard side, there is a glass door that takes you forward to the bow where you have four separate sunpad lounges.

Back inside the raised cockpit, there is a wet bar with a deep sink, refrigerator, and multiple places for storage. All of this area is air conditioned and can be closed off by the bow access doors and the isinglass enclosures. The snap in carpet can be removed for nonskid flooring. Just forward of the wet bar on the starboard side is the helm area. At the helm, you have a 2-person seat for the captain and co-pilot. Standard Cummins, Sea Ray, and RayMarine gauges and electronics are all here to help you navigate the open ocean.

Moving through a 2-piece door and hatch, you make your way down a set of steps entering into the main salon. In the salon, you have a 3-person couch on the starboard side, and two single seater arm chairs around a wooden table to keep everyone entertained while inside. A flat screen TV hangs on the wall beside the AM/FM radio control and CD player. On the far port side of the salon moving backwards is the access into the master cabin. Here you will find a double berth bed with a nice aft deck facing window, a hanging closet, flat screen TV, multiple cabinets and drawers for storage, and a split bathroom/shower area. The vanity and sink are on the starboard side wall with the shower door forward and that bathroom door aft.

Just forward of the salon area, down a set of steps is the galley. The galley has wooden floors, wooden cabinets and corian countertops. A deep sink, trash chute, and 2-burner cook top are all recessed into the countertops with covers for each. A microwave oven hangs on the wall, with ample amounts of storage and cabinetry throughout. A tall standing refrigerator and freezer provide you plenty of space for food and drinks. On the port side across from the galley is the day head/ VIP bathroom. A door from the galley and a door from the VIP bedroom allow for a multiple use bathroom while maintaining the proper privacy for guests when need. Here a standing shower with a plexiglass round door and marine toilet can be found.

The VIP cabin is all the way forward. This cabin has 2 single berths in a classic V-shape. A flat screen TV, hanging closet, and wood cabinets throughout will keep your guests happy while downstairs. WANZELER's has all of the creature comforts of home while still maintaining the adequate entertaining space both inside and out. I invite you to come take a look at this classic Sea Ray and see what she has to offer!
