SPECIFICATIONS

Overview

"BAY PARAMOUR" 1990 HI-STAR 44' AFT CABIN MOTOR YACHT This beautiful, spacious aft cabin cruiser is covered and stored and very clean. SHE is complete and ready to go.

Some highlights:

- 3 Reverse Cycle Heatpumps
- Generator
- NEW Washer/Dryer
- Large Fully Enclosed Aft Deck
- 2 Stateroom Layout
- 2 Heads

The interior of this yacht was constructed with an impressive fit and finish with the cabinetry and trim made from teak throughout. When first entering the salon you are greeted by a large expanse of glass providing spectacular views when afloat. There is plenty of room with a sleep sofa to starboard and chair with ottoman to port. The cabinetry and bulkheads are finished in light teak. Easy access to the aft deck is provided by a stylish set of steps with carpeted treads to match the salon. The owner's stateroom is located aft providing plenty of privacy from the guest quarters. The lower helm is located at the forward starboard side of the salon with a quick access helm door to the side deck. The owner's stateroom has a queen bed, more cabinetry than you normally see in 50' yachts. Within this space is a well camouflaged combination washer-dryer helping to make this yacht a great liveaboard or at the very least a great home away from home on those long weekend trips. The owner's stateroom includes a large private head with a stall shower with solid shower door. Forward end of the salon and down a few stairs are located the galley and dinette, with an open ceiling layout providing an abundant amount of natural light. The galley is a large U-shape layout with plenty of open counter space. Cold food storage is provided by an upright refrigerator/freezer and general storage is provided by an abundance of vented cabinetry both above and below, made from beautifully hand crafted teak. Cooking is handled by a 3 burner electric cook top, electric oven and microwave. Setting the table is but a few short steps away with the large U-shaped dinette to starboard. The table is a large teak table surrounded by leatherette cover cushions. The guest cabin is just forward of this area. This cabin has a pullman style queen size berth and a private head. Storage is provided by a large closet, drawers and a large open area beneath the berth. The large fully enclosed aft deck provides yet another entertaining space and is accessible from both port and starboard side decks leading to the bow. Wicker chairs provide comfortable seating and for entertaining is a convenient counter with built

in icemaker. Access to the swim platform is provided through the aft railing and down a stainless steel ladder. Flybridge is located up few steps from the aft deck. The bridge is covered with a hard top bimini with a full canvas enclosure providing great views in all directions. Seating for 6 to 8 guests is provided by bench seats and helm chairs. Bay Paramour is a complete, ready to go yacht. There is still plenty of seasons left and plenty of places to go. Please call for more information and to make an appointment to see her.
