## Overview

---

Kathy.....Beautiful Beneteau 43! Never chartered and set up for Cruising with tons of equipment! You will not find another Beneteau like this one. You may wonder what sets this Beneteau 43 apart from the rest. It is the upgrades that her owner lavished on her in order to make her as safe as she could be, and easy to single hand!All of these upgrades have been done in 2017, 2018 and 2019. She has less than 1000 hours on her Yanmar diesel.Please check the full listing for all the improvements. There are too many to list here.

- ALL new thru-hulls....top of the line bronze below the waterline and top of the line stainless above.
- ALL new Garmin electronics
- ALL new canvas with enclosure
- BEAUTIFUL Custom Arch that houses dinghy davits and mounting for solar panels
- 400Watts of Solar Power
- FATTY KNEES Dinghy with sailing rig
- SPECTRA Watermaker with added 25 gal designated tank that allows watermaker output to be sent to either forward or aft tank
- NEW Running Rigging
- NEW Sails from Sobstad
- WIRELESS remote for both the Windlass and Bowthruster
- ALL NEW head hoses
- His plans have had to change and his upgrades are your gain. She is beautifully done and ready to go.

Easy to see in Rock Hall, MD.

# DETAILED INFORMATION

## Overview

**Accommodations** Kathy is thoughtfully designed for a single hander or cruising couple with guests or children. She has two beautiful staterooms and two heads with a saloon settee convertible to a bed, also. Starting forward is a huge v-berth with custom mattress, storage, hanging locker and portlights allowing a bright feel. Next aft is the forward head with marine toilet with new hoses, vanity and sink. The main saloon is next aft with straight settee to port with the aft end functioning as the seat for the nav area. Opposite to starboard is a huge "C" shaped dinette that converts to a huge bunk, if needed. The galley is located to port of the companionway. The day/guest head is to starboard of the companionway with the entrances from the salon and from the aft cabin, located directly behind. This layout offers a sensible solution to meeting the needs of the cruising sailor. If passage making, everything needed is at the base of the companionway. The galley, to grab a cup of coffee, the nav station just forward of the galley to check your position, the head and the aft cabin. No traveling forward if conditions are a little challenging.

- Custom mattresses in both staterooms
- Reverse Cycle Heat and Air
- Upholstery and Joinery are in beautiful condition
- Electric Toilet in Owner's Head - plus all sanitation hoses are new in both heads
- Sunbrella covering for floor- to preserve the finish
- Spectra Watermaker - no need to conserve water
- New Canvas and Cockpit enclosure for comfort

**Galley** The galley in Kathy is well designed and safe.

- Vitrifrigo 12v DC Front Loading Refrigerator/Freezer
- Vitrifrigo 12v DC Top Loading Freezer
- Force 10 Gimballed 3 Burner Stainless Steel Stove with Oven
- Tappan Stainless Steel 110v Microwave
- Double Stainless Steel Sinks
- Generous Storage
- Trash Can

**Electronics and Entertainment** All Garmin Electronics NEW in 2017

- Garmin GPSMAP 7616 16" Touchscreen Multi-Function Display in Cockpit
- Garmin GPSMAP 7612 12" Touchscreen Multi-Function Display below
- Garmin Fantom 24 Radar 24" Radome with MotionScope Technology

- Garmin AIS 600 Transceiver
- Garmin Wind, Depth and Speed
- Garmin GXM 53 Satellite Weather receiver
- Garmin Autopilot with Rudder Angle Indicator
- Fusion Stereo Heat integrated with Garmin Electronics package + Sirius XM Radio
- Samsung Smart TV 32"
- USB Charging receptacles
- Wireless Router with 4G Integrated Modem
- Wireless Remote for Autopilot, Windlass and Bow Thruster
- Hardwired windlass control at helm with chain counter

## Deck

- Quick Electric Anchor Windlass with Wireless Remote

- Teak Toerails
- Teak Louvered Companionway Doors
- Drop-Leaf Cockpit Table
- Walk-through Transom with Swim Platform
- Stainless Steel Swim Ladder
- Hot and Cold Cockpit Shower
- Jacklines

Hull Safety is paramount for cruising and Kathy's owner has made several changes that make her stand out. All the thru-hulls, valves and fittings were removed from the entire boat. The G-10 backing plates were bedded with K9 mixed with milled fibers for additional strength. This 2018 upgrade was done to enhance her seaworthiness, not because of any defect or damage.

- 
- All below water line thru-hulls were replaced with high quality bronze fittings
- All above water line thru-hulls were replaced with high quality stainless fittings
- The engine exhaust flange was rebedded
- All new hose clamps

Bottom sandblasted and Petit Protect Epoxy Barrier Coat applied 2018 Sails and Rigging Kathy has multiple sets of sails. From racing to cruising....
