## Обзор

---

This vessel has been maintained without regard to cost and is loaded with custom features and creature comforts which provide a luxurious platform for cruising, and a shoal draft for island waters. This Hinckley, a Talaria 55 Motoryacht, was built for a knowledgeable and experienced owner. The owner involvement shows in countless details that have made this a truly unique vessel. With her twin 1320 hp MAN diesel engines, the 403 Hamilton Waterjets, and the Hinckley JetStick®-Rolls Royce Control System, the boat has great performance, is easily handled, and has proven Hinckley reliability.

Her 17'9" beam allows for spacious accommodations including a large cockpit, comfortable pilothouse area, open galley, a guest cabin with queen berth and office, two heads with stall shower in the master, full size washer/dryer, and a luxurious master suite with queen-sized center-line bunk.

This Interior is reminiscent of a bygone era of boating. The interior is finished in Satin gloss varnished cherry with custom detailing, a bright varnished teak and tulipwood cabin sole, an overhead sound absorptive head liner with through-out lighting, custom Hinckley detailed including exposed cherry deck ribs, burlwood salon. All closets are cedar lined. The overheads are cream accents with satin cherry which reminds us of the vintage Hinckley sailing yachts. Ten opening screened port lights and nine opening overhead hatches with Ocean Air retractable screens and shades, provide great light and natural ventilation, all areas are climate controlled by a 4 zone, 72,000 BTU reverse-cycle heat and air conditioning system. This vessel has been custom designed to easily handle the hottest southern and coldest northern boating temperatures.

Raised panel doors are satin cherry with brimming cherry wood detail thorough. Opening ports with screens provide additional natural ventilation, augmented by reverse cycle air conditioning. Custom cabin lighting throughout include halogen swivel lights and satin-nickle bulkhead lamps with dimmer controls. All interior electrical outlets are modern style with independent breakers at each outlet in heads and galley. Interior cushions are covered in custom Sunbrella fabric. Countertops throughout are custom including solid cherry wood counters in the master stateroom and guest head.
