SPECIFICATIONS

Overview

Priority, a 2000 Seaward Eagle 32 with a 3'6" draft and wing keel will get you around the Chesapeake Bay or any Eastern Seaboard bay with ease. Her green Awlgrip hull is stunning and with her matching green Sunbrella Bimini/Dodger/Connector with eisenglass enclosure (making her available for nearly year round use) she is as striking as she is versatile. Priority has been lightly used by her current owner and has been continually updated since purchased. Such as:

- Barrier Coat and bottom job (water based, eco friendly Interlux bottom paint) 2018
- 2 new Group 27 Marine Deep Cycle house batteries 2018
- Dodger 2017
- Battery monitoring system 2017
- Engine Starter battery 2016
- Bimini 2016
- Rebuilt cylinder head and new gasket and valves reground and new seals 2012
- All deck hardware and fittings rebbed 2011

If you are in the market for a shoal draft vessel, put this Seaward Eagle on your list. Contact us today to make an appointment to visit Priority.

DETAILED INFORMATION

Overview

Cabin

Descending into the main cabin, to starboard is the galley area, next forward is the saloon area with a removable cocktail table between 2 seats (this section can also be converted to a short berth) with storage beneath and behind. Port amidships is the C-shaped dinette which also converts into a double berth. The flat screen TV is outboard of the dinette with storage to either side and under the seats. All the way forward is the V-berth cabin with a large double berth; there is lots of storage both below and above. Aft of V-berth, on the port side is the head with a separate stand up shower stall. Just aft of the dinette is the nav station and electrical panels, including VHF and stereo. There is a quarter berth aft of this with storage below. The engine compartment and companionway are between this berth and a starboard side aft storage area.
