CLASSIC CUTTER - READY TO GO with CONFIDENCE - SHOWS WELL - GOOD UPGRADES

"Southern Girl", an Island Packet 27 is a BIG pocket cruiser with a lot of living space, elbow room and storage. Much more than you would expect in a 27. She will take you just about anywhere you will want to go and take you there safely in comfort with a surprising turn of speed. The 27 is the perfect family cruiser with room to sleep 6. She has a nice sized head with hot/cold pressure water, complete galley, and a table that when not needed stows on the bulkhead. Her cockpit is huge with room to sail, entertain or snooze. And, Island Packets hold their value so well. She is well equipped including AC and ready to getaway.

## Overview

---

### Walkthrough and Accommodations

The IP 27 has a comfortable layout with one private cabin and an open quarterberth, a nice sized saloon with a convertible settee, a nav desk and galley.. She can easily sleep 6.

Beginning at the bow, there is a comfortable Vee Berth with a large opening hatch. Aft of which on starboard is the roomy Head with commode, sink, shower, wet locker, and an opening port. Across on port from the head is a nice storage locker. Continuing aft is the Main Saloon with a cleverly designed bulkhead hung table on Starboard that is out of the way when not needed making the Saloon seem so much larger than on most boats. The starboard settee converts to form a double berth. The settee on port is long enough to allow an adult to sleep. The "L" shaped Galley is aft of the saloon on port with sink, ice box, and two burner propane stove. A drop down extension to the counter provides great work space. The open Quarterberth is on starboard and is large enough for some couples to sleep comfortably. There is an Engine Access Panel that makes checking the oil very easy. The on center Companionway rises over the Engine Compartment and divides the Galley and the Quarterberth entrance. There is an engine access door under the steps. Finally, the Cockpit is long enough to accomodate your sailing crew, your guests and has the room for napping. There is a large engine access hatch in the cockpit sole that uncovers the entire engine and most of the mechanicals. The IP27 is a very comfortable and safe pocket cruiser that seems much larger than 27' implies.

- Air Conditioning Heat Pump with Digital Thermostat
- The Holding and Water tanks were replaced with Rotomolded Polyethylene and each tank has an inspection port.
- Screens for all Ports and Hatches
- Interior Cushions Replaced '12
- Custom Quarterberth Cushion to allow for easier Engine Access
- Teak and Holly Sole
- Force Ten 2-Burner Propane Stove Top

## Electrical

The Island Packets have both a 12V Ship and 120V Shorepower systems each with its own Distribution Panels.

- SmartPlug 30-amp 125 Volt Shorepower Cord Connection '16
- 50' Shorepower Cord
- 125' Shorepower Cord
- Shorepower 20 Amp and 50 Amp Adapters
- 2 - Group 27 AGM House Batteries '13
- Group 27 AGM Engine Start Battery with Blue Sea Systems e-Series Battery Switch and Chargin Relay '16
