SPECIFICATIONS

Overview

The larger Flagship yachts are built to the highest quality standards allowing for some limited customization for the buyers. Owners are treated to the utmost attentive service from the Fountaine Pajot factory, the Fountaine Pajot Sailing Centers and the Flagship dealers around the world. Elegant and entirely contemporary her size allows for a magnificent flybridge deck which can be easily accessed from both sides of the cockpit. The flybridge deck is so large that virtually all the guests can join the helmsman when steering from aloft allowing them to relax and make the most of the sailing experience.

Acknowledged as the performance leader of the big three catamaran manufacturers, Fountaine Pajot delivers a high quality built, a smart layout and noticeably better performance to make her the most comfortable and the most exciting cruising cat in the world. Fountaine Pajot is the perfect answer for the cruising sailor who seeks "no heel" stability, a large comfortable entertainment platform and more speed thrown in for good measure. The novelty and public interest in the Fountaine Pajot catamaran at your docks is just the beginning. The memorable sailing and destination experiences will be the reward.

The entire line of Fountaine Pajot catamarans has built a reputation for performance and style. The Victoria performance characteristics come from a strong but much lighter weight boat building process utilizing infusion molding, RTM vacuum technology, composite bulkheads and an available composite rig. In the catamaran world where weight is everything she is literally 25%-35% lighter than her competitors. Another crucial area is bridge deck clearance. Even though the Victoria has a lower overall profile she has a significantly higher bridge deck clearance, as much as 30% higher reducing wave slapping. As to style her superior design is evident to the beholder. Her lines are graceful and sweeping, not abrupt and vertical. With the huge salon on the same level as the cockpit there is a tremendous area for entertaining and/or relaxing. The flybridge incorporates a similarly large area for the helmsman to interact with guests on the upper lounge deck. Speaking of lounging Fountaine Pajot does a superior job of creating comfortable lounging spaces everywhere in the boat-the cockpit, the upper lounge deck, the salon and the staterooms all have a very inviting and comfortable look. When you step inside the Victoria you will find a professionally designed interior in today's latest styles and colors. It is extremely bright and inviting with offsetting darker fabrics, leathers and floors avoiding a boring blended look. You'll find that the Victoria is an extremely well thought out boat.

Timing is everything! There has never been a better time to buy a Fountaine Pajot catamaran:

- Extremely Favorable Euro/US Dollar Exchange Rates
- Lowest Boat Loan Interest Rates Ever
- Tax Advantages-Second Home or Business Deductions, Section 179 Bonus Depreciation
- Income Possibilities- Excellent Demand for Catamaran Charters

Purchase to Charter:

Wish your Fountaine Pajot could pay for itself? It can, with our smart and incredibly flexible charter income programs. Your boat can generate significant income with our established partners in captained charter and bareboat charter. Unlike churn-and-burn charter programs, you have complete control over the amount of sailing time you enjoy. Plus, our unique "North/South" program allows you to use your boat in New England in the summer and in Florida, the Bahamas or the Caribbean in the winter. You will appreciate year-round sailing opportunities and a healthy income, plus significant tax advantages. We will be glad to supply details on any of these programs.
