Even her competitors admit Fountaine Pajot has the best looking cats on the market. Here are some of the innovations of the New 47:

- Stylish Design-Reverse Bows, Wrap around tinted coach windows, new portholes
- Full Width Stern Platform- Hydraulic or Fixed
- Large Bimini Top Lounging Area
- Foredeck lounge area
- Rear Cockpit Seating
- Huge Cockpit- Table Seats 8
- Extra Wide Salon Entrance Door
- Large L-shaped sofa in salon
- Comfortable Seaway Galley

- 3-5 Cabin Layout Options

Acknowledged as the performance leader of the big three catamaran manufacturers, Fountaine Pajot delivers a high quality build, a smart layout and noticeably more speed to make her the most comfortable and the most exciting cruising cat in the world.

The New 47 Fountaine Pajot performance characteristics will come from a strong but much lighter weight hull utilizing infusion technology and composite bulkheads. She has a significantly higher bridge deck clearance, as much as 40% higher reducing wave slapping. A lower helm station enabling a lower boom yields a lower center of gravity improving both speed and stability. As to style her superior design is evident to the beholder. Her lines are graceful and sweeping, not abrupt and vertical. With the salon on the same level as the cockpit there is no climbing down into the "dungeon" as in cockpit as in monohulls. Guests will be within easy conversation distance with the helmspeople whether in the salon, the huge cockpit or the upper deck lounge. Stepping into the New 47 interior feels like you're in a large living room with a large L-shaped sofa and an island in the galley. It is extremely bright and inviting with offsetting darker fabrics, leathers and floors avoiding a boring blended look.

Wish Your Fountaine Pajot could pay for itself? It can, with our smart and incredibly flexible charter income programs. Your boat can generate significant income with our established partners in captained charter, bareboat charter, fractional sailing club, or sailing school. Unlike churn-and-burn charter programs, you have complete control over the amount of sailing time you enjoy. Plus our unique "North/South" program allows you to use your boat in the Northeast in the summer and in Florida or the Caribbean in the winter. You will appreciate year-round sailing and a healthy income, plus significant tax advantages.
