SPECIFICATIONS

Overview

Base boat with freight/commissioning/delivery to Northeast Coast "Sailaway Price"

PURE ELEGANCE The Dufour design is a balance between sensitive, sophisticated and precise touches.

An integral part of our own identity, it is this subtle harmony that makes Dufour sailboats so unique.

Majestically elegant, merging contemporary and timeless style, the Dufour 460 embodies all the beauty of the Dufour signature.

It's an authentic pure-blood in both aesthetics and performance with its hull line and pronounced bilges. Both rounded and fluid, the deck shapes leave room for a huge cockpit and wide side decks for optimum movement.

Inside, a vast lounge with front galley gives it a yacht feel.

The Dufour 460 is the gold standard and sure to become legendary.

In addition to self-tacking jib rigging and genoas, the Dufour 460 can equip a Code 0 directly tacked to the front bowsprit. A simple and efficient maneuver to get his most out of the boat in light winds.

Upon mooring, the long seats with thick cushions are excellent sunbathing spots. The large aft

deck extends the cockpit, creating the ideal space to make use of the outdoor galley hidden under the rear seats.

Making the most of the front galley layout, the lounge has impressive width. The large table and its central bench will guarantee premium receptions. Series of LED's enhance the space and create the warmest ambiance.
