Overview

This 39' Silverton is in very good condition. The owners are sad to see her go but are making room for something new. NICE AFT offers more interior volume than any other motoryacht in her class. The side-walk feature makes for very easy access to bow. She also comes with the very desirable Diamond-Series Cummins with under 450 hours. If you are looking for a liveaboard or something to cruise with the family on weekends, NICE AFT can do it all.

WILL TAKE CLEAN TRADES!
