SPECIFICATIONS

Overview

Ready for you to take it and sail away today. Well maintained classic Carver Aft Cabin Cruiser. Great for family boating and fishing! Make it your COVID19 getaway "Villa". Take the family away for the day or a week! You have all the room for a family of 6 to live aboard and even prepare meals from the fish you catch from the boat! You can attach a grill on the swim platform if you want burgers instead, shower the kids off in the full size shower and put them down in their forward cabin for the night. This boat is big enough to handle the Bay and easy to maneuver and maintain.

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 260

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Overview

Accommodations

This boat packs a lot into a relatively small vessel. Starting forward is the first stateroom, here is a V-berth with filler creating a large berth for two, hanging locker and overhead hatch for nice ventilation. Heading aft one will find a large head to starboard with separate shower stall, vanity and Sealand Vacu-flush toilet. Opposite to port is the large U-shaped galley which is open to the main salon. Up a couple of steps and you enter the Main salon, to port is a couch that makes into a berth, a half counter is forward of the couch allowing the galley to be open to the salon. On starboard and forward is the entertainment center and plenty of room for additional seating as well as housing the electric panel. Aft and slightly off center to port is the access to the aft cabin. This cabin has berths both port and starboard with the port berth that can extend to create a double berth. There are two hanging lockers in this cabin along with a half bath aft with vanity and head. Back in the salon and slightly off center to starboard is the companionway leading to the aft deck where there is additional seating, full railing around, bimini and access to the flybridge. The Flybridge also has a bimini and there is a canvas connection between the two biminis for complete coverage and protection from weather or sun. She has a single helm on the flybridge from which there is excellent visibility and additional seating. She has a full enclosure for the flybridge and all Stratoglass panels have zip open windows that can be rolled up or removed. She also has a swim platform with swim ladder off her transom, great for swimming or boarding from a dinghy.

Her interior is warm and inviting with teak parquet flooring in the salon, galley and heads, custom teak cabinet with 19" flatscreen TV, updated fabrics, and a drop leaf table that can be moved around as needed or opens up to accommodate a large group for dinner. Large windows surround the main salon allowing for an abundance of light. There are exterior shades that wrap around the windshield to reduce the sun exposure or add a little privacy.

Galley

- 3 burner electric stove with oven
- Norcold Full size refrigerator with freezer
- Microwave oven
- Stainless steel sink with hot and cold pressure water
- Plenty of counter space for food preparation
- Lots of storage space as well
