SPECIFICATIONS

Overview

The first Mako 284 rolled off the assembly lines in the 2005 year model, and in 2011 the boat saw a redesign and rebrand that far outshined the previous years. This 2011 Mako 284 boasts a completely wood-free design and is fully foam/composite. It's light, stable, and maneuverable beyond measure. Weighing in at 6,000 lbs, it's one of the fittest and nimblest in its class. Paired with a set of 300 HP Mercury Verados, it makes for the ideal offshore center console. This boat will get you to the big fish FAST. With a wonderful set of instruments, it also makes sure you find those big fish. Autopilot, radar, and twin overlays and VHF's keep you in the competition as well as keep you safe. With outriggers and all the necessary gear onboard, this "Quick Fish" really is a formidable machine. Whether you fish it, cruise it, or bring it to the sandbar, this boat looks good doing it all.***RECENTLY SERVICED MOTORS***HEAD BELOW THE CONSOLE***FLOAT ON TRAILER INCLUDED
