## Overview

---

Since Hull #1 in 2000, the Donzi 32ZF has been a formidable force to reckon with on the water. The 32ZF has the speed and range to travel far offshore, and a hull design that will take anything mother nature hands out. The ZF series enjoys a reputation for having produced some of the fastest center consoles on the water which is why they remain popular with amateur and professional anglers alike. Built on a fully cored and stepped hull, and with a slender 9'2" beam, the boat really cuts through the water like a knife. The very well thought out deck layout features a raised casting platform at the bow with insulated storage boxes under. Standard features include an integrated swim/dive platform, cockpit bolsters, anchor locker, in-deck fish boxes (aft), circular 50-gallon livewell, removable cooler, console head compartment, high-performance K-Plane trim tabs, transom door, freshwater shower, transom seat, gunnel rod holders (8), cockpit bolsters, leaning post with dual drop-down bolsters, bait prep station with cutting board, forward console seat, raw-water washdown, pop-up cleats, and cockpit rod storage. This particular boat shows like it is a year old with a dazzling gelcoat, finished in Donzi bright white. Of special note is a full cockpit enclosure, and custom sunbrella seat covers (Navy).\*\*\*Newly repowered in 2020 with twin Suzuki 300s (DF300APX2), this boat is a demon on the water. The new motors also include a 6-year warranty from Suzuki Marine\*\*\*Owner possesses, but not included with the sale of the boat, an extensive inventory of high-quality offshore fishing gear to include rods, reels, and tackle that will fully outfit this boat for tournament-level fishing
