Overview

Scheduled for Delivery December 2020.

The New Elba 45 replaces the incredibly successful Helia 44. The Helia 44 is responsible for catapulting Fountaine Pajot into its present leadership status in styling and performance. At first it may be hard to imagine how the Elba 45 could be better than the Helia. But take a look at her upgraded styling, the even more comfortable lounging areas all over the boat and a fabulous new interior that will set the stage for all FP's to come. The Elba 45 was just debuted at the Cannes Yachting Festival and the Annapolis Boat Show in October. Taking the best innovations from the Saona 47 and the Astrea 42 the New 45 features a new foredeck lounge, a new bimini lounge and a full width hydraulic swim/dinghy platform. Even more dramatic will be the design changes in the interior- a whole new look-modern and light with stylish rounded counter edges. The sliding doors are 50% wider than her closest competitor, and the new bimini top lounge deck is huge-70% larger. All this while maintaining the renowned FP performance DNA-note the reverse bows!

Wish your Fountaine Pajot could pay for itself? It can, with our smart and incredibly flexible charter income programs. Your boat can generate significant income with our established partners in captained charter, bareboat charter, fractional sailing club, or sailing school. Unlike churn-and-burn charter programs, you have complete control over the amount of sailing time you enjoy. Plus our unique "North/South" program allows you to use your boat in New England in the summer and in the Caribbean in the winter. You will appreciate year-round sailing opportunities, and a healthy income, plus significant tax advantages. We will be glad to supply details on any of these programs.

It's a great time to buy the Fountaine Pajot catamaran that you have been dreaming about. Consider:

- Still Favorable Euro/US Dollar Exchange Rate Compared to Peak 4 Years Ago
- Still Low Boat Loan Interest Rates- 4.50%
- Tax Advantages-Second Home or Business Deductions, Section 179 Bonus Depreciation

- Income Possibilities-Excellent Demand for Catamaran Charters

All of these issues are lined up perfectly right now. You can be sure that this won't last for very long. Contact us for more information on any of the above.
