DETAILED INFORMATION

Manufacturer's Provided Description

Another in the Scout series of luxury fishing boats, the 355 LXF is a high-performance center console that surely ranks among the most innovative, best looking, and most fuel efficient boats in its class. The deck was designed to accommodate a Seakeeper gyro stabilizer under the aft-facing bench seat, and a retractable shade extends aft from the hardtop to shield the cockpit from sun and rain. Cockpit features include a portside boarding door with built-in ladder, 55-gallon transom livewell, leaning post with aft-facing seat, transom storage lockers, in-sole fish boxes, fresh and raw water wash-downs, stern seat, and aft-facing bench seat for two people. Forward, the bow area includes a two-person lounge in front of the console and cocktail area with retractable table. The console cabin of the 355 LXF features a double berth in addition to a refrigerator, removable table, marine toilet and sink. Additional features on this model include standard heated seats both at the helm and in the forward console lounge, powder-coated T-top with glass enclosure, and solar panels to trickle charge to batteries.
