SPECIFICATIONS

Overview

Tangaroa is a beautiful three cabin floating condo that can go anywhere! Powerboat Guide states, "The 396 is a stunning display of interior volume unmatched in a boat this size. The salon-easily the most impressive aspect of the boat-is immense with a panoramic outside view and about seven feet of headroom." Her walkaround deck is set in such a way that the cabin takes advantage of the full width, making her feel much larger than other boats of her size. This meticulous motor yacht is extraordinarily well equipped, complete with the rare optional lower helm. This boat has low hours on her 8.1 CI twin engines, 10kw generator, three zone air conditioners, bow thruster, and so much more!
