## Overview

---

\*Preliminary Listing - New Photos Coming Soon!

Queen B is one of very few Hatteras 64 Motor Yachts with a FOUR STATEROOM + CREW layout. She received a fresh paint job, new electronics, and interior upgrades over the last few years, making her one of the few great options in this size and price range. Extremely deep reduction gears (3.5:1) and 7 blade props place her in a class of her own when towing a tender and 1,400 hp Caterpillar 3412E diesels provide dependability, ease of maintenance and a very good turn of speed. There is good reason that these boats are so hot on the market right now.

## Basic Information

## Overview

---

\*Preliminary Listing - New Photos Coming Soon!

Queen B is one of very few Hatteras 64 Motor Yachts with a FOUR STATEROOM + CREW layout. She received a fresh paint job, new electronics, and interior upgrades over the last few years, making her one of the few great options in this size and price range. Extremely deep reduction gears (3.5:1) and 7 blade props place her in a class of her own when towing a tender and 1,400 hp Caterpillar 3412E diesels provide dependability, ease of maintenance and a very good turn of speed. There is good reason that these boats are so hot on the market right now.

### Key Features

- Four staterooms + crew layout
- Recent topside paint
- Garmin Electronics
- Best-in-it-class for towing a tender. 3.5:1 gears and 7 blade props
- Air-conditioned flybridge
- Walk-around decks
- Hatteras superior quality

## Walkthrough

---

From the teak-covered aft deck, the Salon is entered through a polished stainless-steel door. Large windows provide an open feel to this comfortable and inviting space. African mahogany cabinetry plays nicely against the light carpeting and furniture. Hatteras does a great job of providing more than enough recessed lighting to illuminate all areas of the boat at night.

Up three steps are the Galley and Dinette, which are open to the Salon. Spacing inside the U-shaped galley provides comfort while at sea and the raised dinette has great sightlines to the surrounding water. The lack of lower helm on this 64 makes this area much more livable. Well-spaced steps aft of the dinette provide easy access to the flybridge and a pantograph door on the starboard side opens to the side deck.

Companionway stairs on the starboard side lead down to a hallway accessing the four staterooms. A washer and dryer are in this hallway as well.

Aft and midship is the Master Stateroom. This is the most comfortable area of the boat and is well-lit by two large portlights over the master berth. There is plenty of storage in drawers and hanging lockers and an en suite head on the port side.

Just forward of the Master Stateroom on the starboard side is the 4<sup>th</sup> stateroom, which has over-and-under bunks and storage

The 3<sup>rd</sup> stateroom has side-by-side berths, loads of storage and private access to a head, which is also accessible from the hallway.

Forward is the VIP Guest Suite with a walk-around berth and en suite head. The overhead deck hatch provides natural light.

Two staircases lead to the enormous Flybridge, one from the aft deck and one from just aft of the dinette. The portion covered by arch and hardtop are fully enclosed to keep air conditioning (2 units) in and weather out. The updated helm has new Garmin electronics. A molded-in bar contains refrigeration and a sink and lies across from a large, L-shaped lounge with table. Another molded-in console is on the aft side of the lounge and houses two Gaggenau grills. The davit and boat deck are aft. This area makes a fantastic outdoor lounge area when no tender is on deck.

The teak-covered aft deck has bench seating aft and room for a table and chairs. The side decks are accessible on each side and the large swim platform is reached on the starboard side. A remote docking station folds down from one of the wings.

Crew quarters are below the aft deck. 2 bunks are forward of a wet head. This area is air-conditioned and leads to the engine room.

---

## Galley

---

- Amtico sole
- Avonite counter and backsplash
- Single stainless steel sink with single-lever water faucet with sprayer
- Garbage disposal
- Kitchen Aid 4-burner stovetop with stainless steel backsplash
- Delonghi oven
- Sharp Carousel microwave oven
- Sub-Zero under-counter refrigerator, two drawers
- Sub-Zero under-counter freezer, two drawers
- Kidde 1A10BC dry chemical fire extinguisher
- Water tank gauge with selector switch
- Cruisair SMX air conditioning control
- Remote water maker control
- Central GFI breakers
- Overhead cabinets with five LED lights
- Vinyl overhead with three recessed lights CO2 alarm

---

## Dinette

---

- Amtico sole
- Ten overhead recessed lights
- Smoke detector
- U-shaped bench seating
- Avonite table
- Two forward cabinets with drawers
- Four drawers aft of dinette seating
- Two stereo speakers
- Sharp Aquos television
- Door to starboard side deck
- Hatteras alarm panel
- Upholstered valances, port and starboard
- Storage forward of dinette seating
- Storage below dinette pedestal
- Windshield wiper/washer switch

---

## Equipment Space (Forward of Dinette)

---

- 24-volt ship's service #1 breaker panel
- 24-volt electronics panel
- Newmar 32-12-50 D.C./D.C. converter

- Three windshield wiper motors
- Two-compartment lights
- Windshield washer manifold
- Channel Master A/B switch for antenna/cable service
- 12-volt D.C. electronics panel
- Channel Vision receivers
- Space for Six HDTV satellite receiver hookups
- Sea Tel antenna control panel

---

## Salon

---

- Carpeted sole Vinyl overhead
- U-shaped leather couch, port
- Custom cherry coffee table with inlay and concealed storage
- Overhead lights
- Main A.C. switch panel
- Five overhead stereo speakers and one in the port cabinet
- Retractable TV
- Power Drive 200 amplifier
- Denon AVR-1906 receiver
- Denon DVM-1815 DVD player
- Two upholstered chairs
- Custom A/V cabinet and storage

---

## Master Stateroom

---

- Carpeted sole
- Vinyl overhead panels with recessed lights
- Two large portlights
- Nightstands with drawers
- Vanity, port, with eight storage drawers
- Aft Hanging locker with light
- Cruisair SMX air conditioning controls
- Kidde 1A10BC dry chemical fire extinguisher
- Walk-around berth
- Carbon monoxide monitor
- Sharp television

---

## Master Bath

---

- Amtico sole

- Mirrored overhead with four recessed lights
- Vanity with Avonite counter, Kohler sink with hot/cold water faucet
- Mirrored medicine locker doors and fascia
- Headhunter head
- Shower with door, light, showerhead on hose with adjustable wall mount, and hot/cold water faucet
- Storage lockers, under vanity
- Blower

---

## VIP Guest Stateroom (Bow)

---

- Carpeted sole
- Vinyl overhead panels with recessed lights
- Overhead hatch with sliding screen and blackout cover
- Smoke alarm
- Carbon monoxide monitor
- Queen island berth
- Air conditioning unit, under berth
- Storage lockers, port and starboard outboard
- Cruisair SMX air conditioning controls
- Cedar-lined hanging locker, port and starboard
- Kidde 1A10BC dry chemical fire extinguisher
- Access to chain locker, forward
- Mirrored forward bulkhead
- Sharp Aquos television
- JVC KD-DV6200 DVD player

---

## VIP Guest Bath

---

- Amtico sole
- Mirrored overhead with recessed lights and exhaust fan
- Mirrored medicine locker doors
- Avonite counter with Kohler sink with hot/cold water faucet
- Storage, under vanity
- Shower stall with circular plexiglas enclosure door on track, showerhead on hose with adjustable wall mount with hot/cold water faucet, and light
- Custom wall covering
- Headhunter head

---

## Under Bow Stateroom Sole

---

- Electric/automatic bilge pump
- High water alarm switch
- Freshwater accumulator tank
- Bow thruster

---

## Guest Stateroom

---

- Carpeted sole
- Vinyl overhead panels with recessed lights
- Single berths, port and starboard
- Mirrored aft bulkhead with reading light at each berth
- Hanging locker with mirrored door
- Kidde 1A10BC dry chemical fire extinguisher
- Cruisair SMX air conditioning control
- Sharp TV
- Night table with three drawers

---

## Guest Bath/Day Head

---

- Amtico sole
- Mirrored overhead with recessed lights and exhaust fan
- Mirrored medicine locker doors
- Avonite counter with Kohler sink with hot/cold water faucet
- Storage, under vanity
- Shower stall with circular Plexiglas enclosure door on track, porthole, showerhead on hose with adjustable wall mount with hot/cold water faucet, and light
- Custom wall covering
- Headhunter head

---

## Guest Stateroom (Starboard)

---

- Carpeted sole
- Vinyl overhead and wall covering
- Upper and lower single berths
- Reading light at each berth
- Two shelved lockers
- Central vacuum cleaner
- Storage under lower berth
- Sharp television
- Smoke alarm
- Carbon monoxide monitor

---

## Companionway

---

- Carpeted sole
- Vinyl overhead panels with recessed lights
- Carpeted steps to wheelhouse
- Step down to master stateroom
- Whirlpool clothes washer and dryer

---

## Crew Cabin

---

- Entrance via aft deck or crew head
- Formica wall paneling and overhead
- Fluorescent overhead lights
- Two D.C. overhead lights
- Single berths, port and starboard
- Kidde 1A10BC dry chemical fire extinguisher
- CO monitor Smoke detector
- Air conditioning control
- Engine room entrance
- Shower sump with electric/automatic pump

---

## Crew Head

---

- Overhead D.C. lights
- Transom door
- Headhunter head
- Tip-out stainless steel sink with hot and cold faucets
- Shower head on retractable hose

---

## Flybridge

---

- Stainless steel steering wheel
- Pompanette helm chair
- Pompanette companion chair
- Hatteras ship's alarm panel
- Fire system release handle
- Searchlight control
- American bow thruster control
- Simrad AP25 autopilot control
- Trim tab control
- Horn button

- Windscreen with stainless steel rail
- Wet bar, starboard, with:
  - U-line refrigerator and icemaker
  - Sink with hot and cold water faucet
  - Storage under sink
- L-shaped seat, aft and port, with teak table with cover
- Two Caterpillar digital displays
- Two battery voltmeters
- Two fuel tank gauges
- Ritchie compass
- ICOM IC-M602 VHF radio
- Two Garmin displays
- Garmin autopilot
- Caterpillar electric engine controls
- Cruisair air conditioning controls
- Caterpillar backup control panel
- TV antenna, under port bench seat
- Switches for:
  - Five bilge pumps
  - Windlass Parallel
  - Trim tabs Blower
  - Fuel transfer
  - Navigation lights
  - Instrument lights
  - Horn
  - Ignitions
- Orion flares
- ACR Global Fix EPIRB
- Kidde 1A10BC dry chemical fire extinguisher
- LG TV

---

## Hardtop

- Radar scanner
- Satellite phone dome
- Two GPS antennas
- Pole with forward navigation/anchor light
- Two arch lights
- VHF antenna

---

## Deck

- Fiberglass nonskid deck
- Dinghy chocks
- Stern navigation light
- Electric/hydraulic dinghy davit, 1,100-lb capacity
- Safety gate, starboard
- Custom cabinet with two Gaggenau 2-burner electric grills
- Hatch access to aft deck
- Stainless steel anchor chute with roller
- Stainless steel plow anchor approximately 70-lb anchor with 200' of chain
- Maxwell anchor windlass with two footswitches and remote control at each helm
- Stainless steel bow rail
- Foredeck hatch
- Two bow cleats and two bow chocks
- Spring cleats, two to port and two starboard
- Foredeck sun pad
- Waste outlet, starboard
- Water fill, starboard
- Three fuel fills, starboard
- Fuel fill, port
- Handrail, port and starboard above salon windows
- ACR searchlight on bridge superstructure, starboard
- Dual trumpet air horn on bridge superstructure, port
- Door to galley, starboard at side deck

---

## Aft Deck

---

- Teak over fiberglass deck
- Bench seat, aft, with cushions
- Pilaster handrails, port and starboard
- Four overhead lights
- Transom boarding gate, starboard
- Stern cleat, port and starboard
- Glass sliding door to salon
