## Brokers's Comments

---

### What do I like about the 1999 Hatteras 74 Sport Deck Motor Yacht TRIX-SEA?

#### Candid comments from the Broker on his favorite features--

She is an ideal premium grade large volume cruising yacht with all the right features and in great shape due to a fastidious and experienced owner.

The upgraded MTU 12V2000 Engines are very smooth and economical- slow cruise at 12mph you only burn 16gph total

Naiad Stabilizers provide a roll-free cruising experience at slow speeds and on plane

The raised panel cherry wood cabinetry is beautiful and very rare in the 74 and 75 Hatteras Motor Yachts of this series- gives the yacht a very warm and rich feel vs. the standard maple wood most have

The Bosch hardtop was added a couple years ago and really modernizes the look of the yacht as well as provides excellent shade on the flybridge

The layout was customized to have a fully private master stateroom area with its own access midships. The master is separated from the other staterooms by the engine room so the privacy is unparalleled.

Additionally the master stateroom itself has a custom master head setup that is much larger than the standard with jacuzzi tub and also offers a huge walk-in closet and additional storage in the master stateroom entry companionway- the space in the master is HUGE!

Another custom feature that I love is the floating staircase to the flybridge in the pilothouse. This opens up the feel of the main deck considerably vs. the standard built in staircase that closes off the pilothouse from the main salon and galley- this feature also offers excellent visibility aft for the captain

NATURAL LIGHT- The main deck of TRIX-SEA offers an abundance of natural lighting- aided a lot by the upgraded full glass aft salon entry door that is wall to wall, ceiling to floor- the galley is also great with the sink facing outboard with a big countertop to ceiling window looking out

She received a full hull and topside paint job in 2011 that still shines, aided by her only being washed down with spot-zero filtered water for the past 6 years to minimize abrasion from hard water

bottom line TRIX-SEA is a true rock solid, high quality motor yacht that offers an incredible amount of volume and excellent seakeeping ability for an incredible value

## Updates and Upgrades By Owner

---

### Updated Navigation Electronics in 2018

- **2x 15" Garmin GPSmap XSV Touchscreen Chartplotters at Pilothouse**
- **1x 12" Garmin GPSmap XSV Touchscreen Chartplotter at Flybridge**
- **Garmin Open Array HD Radar**

### Bosch Hardtop Added in 2018

### Spot Zero 2000gpd Water Filtration System Added in 2014

### Full Hull and Topside Paint Job in 2011 By Cable West in Ft Lauderdale

### New Flat Screen TV in Salon with Updated Trac Vision SAT TV Dish (2015)

### Numerous other Cosmetic and Mechanical Updates as well

## Customization From Factory

---

\*These items were done during the initial build process at Hatteras to make TRIX-SEA a uniquely functional and well laid out yacht

- Interior Wood High Gloss Cherry with Raised Panel Doors
- 4 Panel Stainless Steel Doors to Aft Deck
- MTU12v2000 Engines
- Headhunter Waste Treatment System
- Modify Standard Fuel System to Consolidate (2) Forward Fuel Tanks with Fuel Transfer Pump to Aft Day Tank Where Main Engines and Generators Feed From
- Install Custom Stainless Steel Floating Stairs from Pilothouse to Flybridge w/Teak Inserts- (allows for much more open feel instead of big bulkhead)
- Install Mirrors on Ceilings and Medicine Cabinets of Heads
- All Interior Doors to Have Arched Upper Portion
- Rub Rail Upgraded to 1.25" In Leiu of Standard 1"
- Master Stateroom to Have Custom Layout with Head to Port with Bidet, Double Sinks and Jacuzzi Tub as well as Huge Walk In Closet to Starboard
- Companionway to Master Stateroom Customized with Extra Storage Cabinetry
- Install Upgraded 1.5" Stainless Steel Exterior Rails w/Welded Joints and Sliding Gates
- Cut Out Section of Valance in Aft Salon for Maximum Height
- Make Access Door to Storage Under Flybridge Helm As Large As Possible

- Install Extra Layer of Loaded Vinyl Overhead In Engine Room and Use Loaded Vinyl for Carpet Padding In Salon as Well as Stairs from Salon to Companionway
- Modify Pilothouse Seat to Accommodate for Storage Drawers Beneath
- Install Slide Out Shelves in Galley in Lieu of Standard Fixed
- Install Custom Hard Wood Flooring in Galley and Pilothouse
- Custom Stone Countertop Selections Throughout
- Custom Wallcovering Selections Throughout
- Custom Faucet and Sink Selections Throughout

---

## Navigation Electronics

---

### Pilothouse/Lower Helm

- 2x Garmin 15" GPSmap XSV Chartplotters (2018)
- Garmin HD Open Array Radar (2018)
- 2x MTU Electronic Engine Diagnostic Readouts
- Furuno RD-30 Depth Finder
- Simrad AP20 Autopilot
- Max Power Bow Thruster Control
- ACR Remote Control Spotlight
- Naiad Roll Stabilization System Controls
- Icom IC-M604 VHF Radio

### Flybridge/Upper Helm

- 1x Garmin 12" GPSmap XSV Chartplotter (2018)
- Garmin HD Open Array Radar (2018)
- Icom IC-M604 VHF Radio
- Furuno RD-30 Depth Finder
- Simrad AP20 Autopilot
- 1x Furuno 12" Nav Net 3D Chartplotter (2011)
- ACR Remote Spotlight Control
- Electric VHF Antenna Raise/Lower Controls
- Naiad Roll Stabilization System Controls
- 2x MTU Electric Engine Diagnostic Readouts

---

## Standard Specifications

---

**\*Reference Custom Build Features- Some May Supercede Standard Listed Specifications Below**

### Exterior Finish

- Isophthalic gelcoat, interior layer, black
- Isophthalic gelcoat, exterior layer, white
- Blister-resistant vinylester resin in hull skin coat
- Topsides and superstructure, polyurethane coating
- Polymer/copper based antifouling bottom paint
- Boot stripe, polyurethane coating
- Decks, non-skid surface, polyurethane paint with polymeric beads

### **Hardware & Miscellaneous**

- All hardware chrome on brass or stainless steel
- Swim platform with reboarding ladder
- Fiberglass pulpit with stainless steel anchor chute and roller
- Anchor, anchor line and deck hawse pipe
- Bow windlass
- Hydraulic stabilizer
- Six springline cleats
- Bow and stern chocks and cleats
- Stainless steel deck railings
- Boarding gates port and starboard side decks
- Remote controlled searchlight
- Fog bell
- Dual air horns
- Zincs on rudders and shafts
- Stainless steel propeller shafts
- Dripless shafts and rudder seals
- Trim tabs with zincs
- Bronze rudders and struts

- Propellers, Nibral high-performance
- Sea stairs with storage brackets
- Foredeck sunlounge pad with cover
- Foredeck seat with storage, cushions and cover

### **Engine Compartments and Bilge**

- AC fluorescent lights
- DC enclosed lights
- DC bilge blowers
- Twin diesel freshwater-cooled main engines with marine gears, exhaust silencers, engine hour meters, alternators, fuel filters, and sea water strainers
- Fire extinguishing system for engine compartments and generator compartment with automatic and remote manual controls
- Two AC ventilation fans
- Two 20 kW freshwater-cooled diesel generators with sound enclosure, remote start, sea water strainer, hour meter and water lift muffler
- Fuel tank selector manifold
- Freshwater fill hose for engines and generators
- Dockside water inlets with pressure-reducing valves
- Automatic, electric bilge pumps
- Ball-valves on all underwater through-hull fittings with electrical bonding throughout
- Pressurized freshwater system with 40-gallon electric water heater (**Hot Water Heater Replaced 2018**)
- UL approved fiberglass fuel tanks
- Sewage holding tanks plumbed for dockside discharge, with level indicator light in heads
- Oil changing system for engines and generators
- Fuel filter - water separator, generators
- Duplex fuel filters/water separators with bypass manifold, engines

- Fuel priming pumps, engines
- Overhead grab rails

## **Electrical Systems**

- Two 24 volt banks of heavy duty 12 volt marine batteries with automatic battery charger, 60 Hz
- Battery paralleling system with switch at control consoles
- Transformer connected shoreline inlets
- Two 240 volt, 50 amp, retractable shore cords with over current protection, one each port and starboard
- AC and DC light fixtures
- AC duplex outlets
- Battery control panels with fuses and isolation switches
- DC distribution panels with magnetic circuit breakers and battery condition meter
- DC electronics panel with magnetic circuit breakers
- AC distribution panel with thermal
- magnetic circuit breakers
- AC switching panel with volt meter, ammeter, frequency meter, generator start/stop controls and interlock selector breakers
- Systems monitor with visual and audible signals for engine and gears, high bilge water, fire warning in engine compartment, fire extinguisher discharge, and AC power loss
- Navigation lights
- Ground fault protection on AC receptacles and lighting circuits
- Air conditioning with reverse-cycle heating

## **Pilothouse**

- Wood paneling
- Vinyl tile flooring
- Vinyl headlining

- 
- Sliding doors port and starboard, to side decks
  - Tinted safety glass
  - Cruising seat with storage
  - Steps to lower companionway
  - Electric windshield washers
  - wipers with controls
  - Windshield cover for privacy
  - Hydraulic power-assisted steering
  - Dual lever hydraulic clutch and throttle controls (electronic on DDEC)
  - Compass with dimmable light
  - Rudder angle indicator
  - Control station with all necessary switches and dimmable lighted instruments
  - Engine synchronization controls
  - Fuel level gauges
  - AC distribution panels
  - DC distribution panel
  - DC electronics panel
  - AC switching panel
  - AC and DC light fixtures
  - AC duplex outlets
  - Telephone outlet
  - Stairs and hatch to flying bridge
  - Storage lockers
  - Door to galley/dinette

### **Flying Bridge and Bridge Deck**

- Molded fiberglass bridge

- 
- Storage under control console with DC lighting
  - Stainless steel grab rails
  - Tinted acrylic windshield
  - Control station with necessary switches and dimmable lighted instruments
  - Mast on arch with radar platform, masthead and anchor lights
  - Compass with dimmable light
  - Dual lever hydraulic clutch and throttle controls (electronic on DDEC)
  - Hydraulic power-assisted steering
  - Helmsman and companion seats, both adjustable
  - Rudder angle indicator
  - AC weatherproof receptacle
  - Aluminum radar arch and mast
  - U-shaped bridge deck seating with vinyl covered polyfoam cushions and storage
  - Stairs and hatch from pilothouse

### **Aft Deck**

- AC duplex outlet
- DC lighting in hardtop
- Molded-in steps to sport deck
- Stainless steel railing

### **Sport Deck**

- Molded fiberglass with non-skid sole
- Weathertight lazarette hatch
- Freshwater wash down with hose connection
- Removable stainless steel railing
- Storage cabinet in forward bulkhead

### **Salon - Galley**

- 
- Wood paneling
  - Carpeting
  - Vinyl headlining
  - Lambrequins with blinds and upholstered valance boards
  - Aluminum sliding door to aft deck
  - Stairwell to owner's quarters and engine compartment
  - Fixed frameless windows with tinted safety glass
  - Vinyl tile flooring (Galley)
  - High-pressure laminate wall covering (Galley)
  - Wood paneling (Dinette)
  - Solid surface countertops with integral sink and storage cabinets made of finished wood, one with damp chaser
  - AC refrigerator with freezer and ice maker
  - AC four-burner cooktop with oven under counter
  - Microwave/convection oven
  - Garbage disposal
  - Garbage container
  - AC and DC light fixtures
  - AC duplex outlets
  - Dinette with storage under seats
  - Dishwasher

### **Master Stateroom**

- Wood paneling
- Carpeting
- Vinyl headlining
- Lambrequins with blinds and upholstered valance boards

- 
- King berth with upholstered headboard and storage under berth
  - Polyfoam mattress, spread, pillow shams, pillows, mattress pad, sheets
  - Ventilating portlights with screens
  - Walk-in cedar-lined wardrobe with door and automatic light
  - Nightstands with drawers
  - Built-in dressers, port and starboard
  - Door to private head
  - Door to companionway

### **Master Head**

- Vinyl tile flooring
- Vinyl headlining
- Vinyl wall covering
- Solid surface countertop with two integral sinks
- Mirror over countertop
- Tub with shower, sliding doors, whirlpool jets and automatic sump pump
- Storage cabinet
- Towel bars
- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet
- Linen locker

### **Aft Companionway**

- Carpet
- Vinyl headlining
- Vinyl wall covering

- DC light fixtures
- Portable halon fire extinguisher
- Lighted stairway to main salon
- Doors to master stateroom and engine compartment

### **Mid-Ship Guest Stateroom**

- Wood paneling
- Carpeting
- Vinyl headlining
- Lambrequins with blinds and upholstered valance boards
- Queen berth with upholstered headboard and storage underneath
- Polyfoam mattress, spread, pillow shams, pillows, mattress pad and sheets
- Ventilating portlights with screens
- Cedar-lined hanging locker with door and automatic light
- Nightstands with drawers
- Full-length mirror
- AC and DC light fixtures
- AC duplex outlets
- Dresser

### **Mid-Ship Guest Head**

- Vinyl tile flooring
- Vinyl wall covering
- Vinyl headlining
- Frosted ventilating portlight with screen
- Solid surface countertop with integral sink
- Tub with shower, sliding doors, whirlpool jets and automatic sump pump
- Towel bars

- Storage cabinet with sliding mirror doors
- Linen locker
- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

### **Forward Port Stateroom**

- Wood paneling
- Carpeting
- Vinyl headlining
- Upper and lower berths with storage underneath
- Polyfoam mattresses, spreads, pillow shams, pillows, mattress pads and sheets
- Cedar-lined hanging locker with door and automatic light
- Mirror
- AC and DC light fixtures
- AC duplex outlets
- Private access to port head

### **Forward Heads (port and starboard)**

- Vinyl wall covering
- Vinyl tile flooring
- Vinyl headlining
- Stall shower with bi-fold door and automatic sump pump
- Solid surface countertop with integral sink
- Storage cabinet
- Mirror
- Towel bars

- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

### **Bow Guest Stateroom**

- Carpeting
- Padded vinyl covering on hullside and vinyl headlining
- Dressers, port and starboard
- Queen-size tapered berth with upholstered headboard and storage underneath
- Polyfoam mattress with spread, pillow shams, pillows, mattress pad, and sheets
- Full-length mirror
- Mirrored forward bulkhead
- Rope storage locker with divider
- Cedar-lined hanging locker with door and automatic light
- Frosted ventilating portlights with screens
- Screened overhead hatch with privacy cover
- AC and DC light fixtures
- AC duplex outlet
- Access to starboard head

### **Forward Companionway**

- Carpeting
- Vinyl headlining
- Vinyl wall covering
- Portable halon fire extinguisher
- Washer - dryer
- Cedar-lined storage locker

- AC and DC light fixtures
- AC duplex outlet
- Stairway to pilothouse
- Doors to starboard guest head and guest staterooms
- Hatch to machinery compartment

### **Hatteras 74 Sport Deck Motor Yacht Optional Equipment**

- Flying Bridge Key Bar
- Stainless Steel Door to Aft Deck
- Bow Thruster, 12" 28 hp Hydraulic
- Anchor, with Chocks, Extra
- Davit, Low-Profile, 1500 lb., 110 Volt
- Sea Ladder with Storage Brackets
- Washdown, Freshwater, Foredeck
- Washdown, Sea water, Sport Deck
- Prop Puller - Pusher

## **Mechanical Equipment**

---

- 2x MTU 12V2000 1350hp main engines, each with approx 2900hrs
- 2x Cummins Onan 20kw Diesel Generators, each with approx 2600hrs
- Headhunter Sewage Treatment System

## **Exclusions**

---

Owner's personal belongings.
