## Overview

---

"Zeus" is outfitted for single handed operation . With an open stern, dockside boarding is easy and the wide beam creates a large cockpit perfect for friends & family.. In mast furling, electric windlass and a bow thruster make sailing & maneuvering easy. Dual rudders and a 'hard' chine mean great performance on the Bay or ocean. The layout of the Sense 43 has done away with the steep companionway steps and replaces them with 'soft' steps. Below, large expansive windows and a versatile floor plan that includes 2 cabins and a full head with enclosed shower. There is a diesel heater for when it's cool on the water.
