SPECIFICATIONS

Overview

The Sea Ray 50 Sundancer, which was renamed 52, is perhaps the most comfortable rough-weather model built by this manufacturer. Below, she has a very large, open salon and galley area with plenty of natural light. Forward are two staterooms and two heads. The helm deck and cockpit offer an enormous area for entertaining. Executive Function has the preferred blue hull, hydraulic boat lift and upgraded electronics. Her exterior and interior are in great shape. This is a very clean Sea Ray 500 Sundancer which has been regularly used and cared-for.

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Sea Ray 50 Sundancer, which was renamed 52, is perhaps the most comfortable rough-weather model built by this manufacturer. Below, she has a very large, open salon and galley area with plenty of natural light. Forward are two staterooms and two heads. The helm deck and cockpit offer an enormous area for entertaining. Executive Function has the preferred blue hull, hydraulic boat lift and upgraded electronics. Her exterior and interior are in great shape. This is a very clean Sea Ray 500 Sundancer which has been regularly used and cared-for.

Key Features

- Hydraulic dinghy lift
- Air conditioned helm deck
- Navy blue hull
- Cummins QSM-11 main engines serviced in August of 2020
- Updated electronics

Walkthrough

Boarding from most floating docks is an easy transition to the hydraulic tender platform. The transom of the boat is easily accessible from the molded swim platform forward of the lift. A door on the transom flips open to expose a large storage area containing lift control and Glendinning Cablemaster for the 50-amp power cord. A solid door on the port side leads to the large, aft deck. Seating wraps from the door across the back end and forward on the starboard side. Forward of the transom door on the starboard side is a built-in bar with refrigeration behind cabinet doors.

The helm is up two steps, providing excellent sight lines. More guest seating is directly inboard of the captain's seat. This area is air-conditioned and has a cockpit cover. On the starboard side is the door leading below. The 50 has a very large, open living area with plenty of natural light from portlights and a deck light. The second sofa, along the port side, conceals a hide-a-bed. The galley is open to the salon and has plenty of refrigerated space and storage. To starboard is the guest stateroom. It has oversized bunks above and below, each with a TV. The guest head may be accessed from the galley area or from the guest stateroom. Forward is the master stateroom, featuring a very large, island berth. The master head is accessed privately.

Every room in this vessel has natural light, making her feel even larger in volume.

Salon

- 2 x Sofas, one has a hide-a-bed
- Coffee table with stools
- Reading lights
- Overhead lighting
- 2 x Portlights
- Combination clothes washer/dryer
- Bilge storage
- Television
