## Walk Through

---

Upon boarding, find a comfortable and spacious sunpad on the aft deck. Painted table with dining for 6, that converts and lowers to add an additional sunpad area to the aft deck. Twin insulated cooler boxes and ample storage, sink and electric grill on aft deck. Removable sunshade awning with carbon fiber poles.

The main salon showcases some of Pershing's latest innovations, thoughtful design features and soft leathers of Paltrona Frau. Find an inviting custom bar on the portside with 3 free standing barstools. Oversized leather sofa with a convertible high/low dining or cocktail table. Walk around decks on the exterior. Aft deck doors open fully and disappear.

Innovations at the helm like the joystick control, paired with state of the art Simrad electronics and surface drive technology make "Q" easy to operate and engaging for both Captains and owners. Comfortable leather seating for 3 at the helm station. Carbon fiber and chrome enhance the look.

Going downstairs, a dayhead is located on the starboard side, prior to entering the stateroom area. This allows guests to use the restroom without disturbing any of the guest cabins. 4 well-appointed staterooms, each have ensuite heads and showers. Master stateroom with His and Hers access to the Master bath, and an oversized shower with ample natural lighting. VIP stateroom features a large television and leather sofa seating area. Two generously sized twin cabins. Light colored carpeting, headliners and cabinetry are paired with light gray wood floors and silver/ black accents throughout. Condition of all finishings and softgoods is 'like new'

Twin MTU M96L's produce 2638 horsepower each for a 42 knot top end and 38 knot cruise. In the galley, the 9x features top of the line Miele appliances, and a full-sized Miele commercial grade refrigeration suite. There are 2 crew cabins for a total of 3 crew.

"Q" features a redesigned bow, with entertaining, seating, dining, and sunning space, and a hydraulic hanger to house additional toys, lines, fenders. Carbon fiber poles with sail style sunshade has been customer designed for the bow lounge area. Sundeck features a full helm station with seating for 3. Large sunpads behind the driving station and substantial sofa - style seating aft of the sunpads. A matching painted dining table converts to a table.

An oversized swim platform with hydraulic garage open up to house toys, tenders, jetskis, etc. Space for a 395 Williams Jet Tender and Jetski.
