SPECIFICATIONS

Overview

PRICE HAS BEEN REDUCED BY \$120,000!

Circe is a 65' center cockpit ketch custom designed by Sparkman & Stephens and built by Robert E. Derecktor in Mamaroneck NY. She is a near sistership to Cruzan, Rewa, Beyonden, and Djinn. These are very capable offshore sailing and cruising yachts. Circe sailed in the Bermuda Race and the race to Norway. She has cruised in the Baltic, Mediterranean, Caribbean, New England, Pacific, and Pacific Northwest. The boat has been stored indoors between cruising seasons and continually maintained by her owner. The alloy deck and teak were replaced (2007) along with a new bow thruster (2014), new Schaefer jib furler and new batteries (2010). CIRCE's hull was surveyed by ultrasound in 2015 and the aluminum plating was found to be seaworthy and within prescribed tolerances.

Basic Information

Category: Cruising Ketch

Sub Category: Motorsailor

Model Year: 1966

Year Built: 1966

Dimensions

LOA: 65' (19.81mm)
