SPECIFICATIONS

Overview

"Aventura" was custom built for her current owner by Real Ships, near Mobile, Alabama and delivered in October of 2008. She is a steel hulled Expedition Yacht with Aluminum superstructure and features complete redundancy in her systems. "Aventura's" interior is done in a style reminiscent of early classic yachts and features Burmese Golden Teak throughout with Marble and Onyx countertops. Strong and purposeful ship like exterior styling with a luxurious interior set her apart from the crowd...she turns heads wherever she goes.

The owner is retiring from boating and motivated to find a buyer to take the helm of this wonderful expedition yacht.
