SPECIFICATIONS

Overview

Built by Shannon Boat Company, a well-regarded sailboat builder. The Brendan 32 open Sportfisherman was constructed on a modified-V hull with cored hull sides and a relatively wide beam. This boat has a standard transom door, two in deck fish boxes, and an upper and lower helm. Only about 40 of these boats were built!

Powered by twin 210 HP Cummins 6 BT and navigated by Garmin and Raymarine electronics, this boat was made to catch fish in comfort.
