Overview

This is a solid trawler that just needs your finishing touches and some cosmetic improvements but its priced to reflect the same. Powered by a single Perkins diesel engine that runs like a top. From a mechanical standpoint this girl is in really solid shape, Many options upgraded, chart plotter, auto pilot, A/C and much more. The port and starboard windows have some leaks in the salon area and need to be rebedded. Interior salon walls will need to be trimmed out. This would be a fairly easy task for a DIY person. This Sundowner is a SOLID trawler that just needs some TLC and it is priced accordingly,, Owner wants to sell, Call today,
