OCEAN CLUB WALKTHROUGH

The main salon sets the tone for the entire yacht highlighting the custom designed woodwork, marble and oversized windows. It should be mentioned that the yacht can be further customized with the addition of new owner's art and soft goods furnishings. The open concept salon features a couch and arm chairs with plenty of seating leading into the dining room with seating for 10. The dining room wall showcases a well-stocked wine cellar. Also included in the sale are all the finest china, glassware, flatware and accessories.

Forward is the open foyer leading down to the guest suites or forward to the stunning Master Suite. Perhaps the most unique design aspect of OCEAN CLUB is the split-level on deck master stateroom featuring 270 degrees visibility. Upon seeing the master stateroom for the first time most people are overwhelmed by the spaciousness of the room and soaring ceilings. The master suite showcases a king bed on the lower level and inviting sitting lounge above with breathtaking views of the destinations you will visit. The his and hers master bathroom is separated by a large walk in shower. Not to be missed is the luxurious white porcelain bathtub.

Below are four additional staterooms all with ensuite bathrooms and finished with the same award winning Patrick Knowles Design. Two VIP staterooms aft boast king beds, an additional king stateroom also features a pullman and a twin stateroom with a pullman which can also be converted into a queen stateroom. Not to be missed is the intricate guest spaces with stunning old Hollywood artwork and contemporary design in the staircase and foyer, including a cigar humidor in the bridge deck foyer.

The bridge deck's wheelhouse offers guests a comfortable seating arrangement to monitor the navigation of the yacht with the Captain, although most guests spend more of their time in the sky lounge. Offering guests lots of comfortable and luxurious seating options and entertaining spaces in an inviting design. Not to be missed is the full bar for cocktail hour and beyond. Aft is the premier al fresco dining table of OCEAN CLUB seating up to 12. There are also plenty of lounging spaces of couches and chair couplings aft. Forward of the bridge on this same deck is a large guest entertaining area to arrive to any port in style with couches and large sun pads on either side.

Though the decor and luxury is stunning throughout, the highlight of the yacht is by far the massive sundeck with more lounging and entertaining spaces than guests know what to do with. From the Captains chaises forward to enjoy birds eye views of your next destination to the sun pads just behind for optimal sunbathing to the large jacuzzi seating up to 7 people and surrounding couches to the cocktail bar midship, the additional round al fresco dining option and

aft chaise lounges, there is sun, shade and relaxation for all. There is also a private dayhead for guest convenience. Not to be missed is the uninterrupted upper decks from tenders and toys so toys are able to be deployed quickly.

OCEAN CLUB has her tender and personal watercraft storage on the main deck, which allows for a completely Unobstructed Sun Deck. There is an overhead 2 point beam crane for easy launching of tenders and toys from the Main Deck aft. There are so many water toys included in this sale: 4 wave runners, a 4m freestyle inflatable waterslide, sea bobs and a 22' outdoor cinema as well as an amazing 1000 sq ft of inflatable floating docks making this the Largest Beach Club on the water to enjoy maximum Fun in the Sun!

OCEAN CLUB has it all in a 50m yacht - 5 staterooms accommodating up to 12 guests, room for up to 10 crew, reliable Caterpillar power, 18 knot cruising speed, Quantum Koop Nautic zero speed stabilizers, ABS classification and MCA compliant. Not to go unmentioned, she was the 2010 Winner of the World Superyacht Awards - Best semi displacement m/y - 40m+. She was most recently refit in 2019 and completed her 10 Year survey.
