Overview

This boat is difficult to convey through text. The moment you step onboard you will absorb the love and knowledge that the owners have put into this boat. She is in wonderful condition aesthetically and has been modernized along the way. The master cabin and VIP cabins have a television, as well as the pop-up Whisper Lift television in the saloon. The aft deck of the flybridge has a wonderfully comfortable seating area. A rare addition for this type of Hatteras, the bow has two bench seats that blend perfectly into the design of the boat, one of which holds an aluminum gas tank for a tender. With that addition, you are afforded with three outdoor social areas; the forward sun deck on the bow, the flybridge, and the aft deck dining area. Of course, the aft deck has a beautiful Eisenglass zippered enclosure should one need it.

Perfect for a live-aboard or for entertaining. Ready to head south for the winter as a get-away. The interior has been fully remodeled. There are three staterooms; each with an ensuite head. This is a great opportunity to get a deal on a proven boat that has been cherished.
