SPECIFICATIONS

Overview

Purchased in 2017 by current owner and immediately refit at Lauderdale Marine Center with a full repaint of her hull and superstructure & upgraded interior with new decor and wet bar in the main salon + new navigation equipment. In 2019 she returned to LMC and was re-powered and further upgraded mechanically. Details of both refits are included in the listing. Over \$2.5m has been invested by the owner and PURA VIDA shows in new condition.

Full maintenance records are available.

PURA VIDA represents the best Moonen currently available for sale on the market and is in turn key condition both mechanically & cosmetically.

Yacht Design

Interior Designer: Rhoades Young Design

Engine Information

Engines: 2

Manufacturer: CAT

Model: C-32 ACERT T3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The current owner purchased 'PURA VIDA' in 2017 and has completed two major shipyard periods with notable improvements to the vessel both mechanically & cosmetically which are outlined in the brochure.

The first upgrade period saw a full exterior repaint by Luu Marine at Lauderdale Marine Center as well as a complete upgrade of all soft goods & loose furniture on the interior.

Each guest room received new linens, soft goods, headboards, and carpeting throughout. Also each guest cabin & crew cabin received new custom mattresses from Palm Beach Custom Mattress.

New Tecma heads were also installed throughout the vessel.

The main salon saw new custom loose furniture both in the lounge & dining areas as well as a full wet bar installed to improve service & increase storage.

All exterior cushions were replaced with new fabrics.

10 new underwater lights were installed that surround the yacht truly making her glow in the night.

A new AB 17DLX tender was purchased along with a new Sea Doo GTR 230 both of which are included in the sale.

PURA VIDA also had her wheelhouse upgraded with new navigation screens, Icom & Furuno components, and navigation computer & Intellian satellite system for internet.

The second upgrade period saw an engine room refit with a re-power with Caterpillar C-32 Acert T3 engines, exhaust, ventilation and a myriad of pumps.

PURA VIDA comfortably sleeps 8 guests in 4 cabins + separate crew accommodations back aft that sleep 4 in 2 en-suite cabins with a nice crew lounge that you can access from either the aft deck or transom.

PURA VIDA shows in near perfect condition and is ready for immediate hand over with all service & upgrades complete. I have no doubt that she will survey extremely well.

Priced aggressively for a fast sale.

Specifications

GENERATORS

- (2) Kohler 33 KVA fitted with HMI exhaust separators

GENERATOR HOURS

- Port: 12,904
- Stbd: 12,210

SHORE POWER

- 3 phase 208 Volt at 50 Hz Shore power cable with Glendening cable coiler
- ASEA shore power converter
