Water Capacity: 110 Gallons

Holding Tank: 50 Gallons

Fuel Capacity: 375 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Planing

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: IPS 600

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Manufacture On the 4300 Sovran, dramatically reduced noise and vibration allow conversations in comfort while underway. Because Volvo Penta's IPS releases up to 25 percent fewer emissions, owners enjoy diesel power performance, economy and durability without exhaust smoke, noise or vibration. In fact, Volvo Penta's IPS in the Tiara 4300 Sovran delivers 25 percent better fuel efficiency, resulting in fewer trips to the fuel dock, increased speed and acceleration, and extended cruising range. The 4300 Sovran also integrates the Volvo IPS joystick control, putting unmatched low-speed maneuverability at your fingertips. With a single, subtle movement of the IPS Joystick, you command the IPS propulsion units to respond in any direction. This gives you the power to maintain control of your 4300 during tight-quarter docking, coming about, reversing or even going straight sideways all without the need for bow thrusters. Because IPS takes up 25 percent less area than traditional engines, the design team was able to employ the available space as a full second stateroom with head. Vessel sinks and shower partitions, a full-size refrigerator/freezer, even a spice rack and voluminous storage are a few of the options you will find. The cockpit seating is also both inviting and comfortable a perfect environment for the cruising lover. Navigational and Deck Equipment

- Raymarine Twin E120 Monitors
- HD Radar, Chart, Sounder
- Auto Pilot
