SPECIFICATIONS

Overview

The E-Series E6 represents the culmination of achievements in contemporary luxury yacht design and encapsulates the go-anywhere concept. This boat raises the bar already set by the E4 and adds an extra 16 feet of luxury, allowing you to relax in even greater comfort and increased range capability. The New E6 is the perfect boat to discover fantastic new destinations around the world, with your family and friends. Maybe you'd like to explore the Fjords and Great Lakes, or prefer the experience of visiting remote islands. With a range of 3,500 miles, the world is really your oyster. You could even travel across the pond to Europe and beyond. Or, maybe undertaking the "Great Loop" in style. Within the E6, anything is possible.
