SPECIFICATIONS

Overview

Prana boasts a very spacious master stateroom, neutrally decorated with chic wooden features and benefits from large amounts of storage and generous en-suite bathroom. The three guest cabins are all excellently arranged, and her two twin are great for families or mixed groups. Large windows throughout mean that her interior is flooded with light throughout the day.

For those wishing to tan and relax, Prana also has a large forward sun pad area. Moving upstairs, the generous flybridge is a great place to spend the day in the sun with a BBQ set up and sunpads. Wonderful for families, this area also benefits from a covered area for children and adults alike to spend some time in the shade.

Prana is in excellent condition and has been meticulously maintained by her dedicated crew. She is powered by two Caterpillar engines and also has a Capelli 460 tender with a 40hp Yamaha 4-stroke engine.

Prana is maintained in Class.
