## Overview

---

Classic, world cruiser lovingly maintained by original owners. Lunatic II needs nothing to take you anywhere you want to go. One of the many highlights is a 2011 Yanmar with only 500 hours on her. Lots of custom touches including coal stove heater, a "dipstick" door and five deck prisms for additional lighting. Don't miss looking at this one if you are serious about taking off.

Just reduced in price, lacks nothing
