## Overview

---

GHOST is a 2007 model Grand Banks 47 Classic with an interior design featuring a private ensuite large master stateroom aft and en suite guest stateroom forward for maximum privacy of her guests.

In between the two cabins is the galley down and on a slightly higher level is the salon where the Captain and his/her guests can enjoy a formal space for the pleasure of socializing while cruising.

On the functional aft deck layout seats a Nautica RIB tender with a 20 HP Mercury outboard engine. Flash mounted on the starboard side of the vessel is a davit for its convenient deployment. The large volume lazarette is perfect storage space.

4 molded FRP steps up is a large canvas enclosed flybridge with an upper helm station, STIDD seats, and a guest sitting area.

The marine electronics have been recently updated and present 4 of the latest Simrad touch screen chart plotters and a new Simrad halo open array radar.

GHOST is lightly used and has been very well cared for by her current and original owner who has performed 1,000 hours of service on the twin CATERPILLAR C-9 ACERT with 567BHP. The Engines hours are currently 1,172.

She is equipped with a 700 GPD water maker and an Onan 11.5 Kw genet with 1,355 hours.
