SPECIFICATIONS

Overview

Volvo IPS 600 with Joystick control / Tropical A/C / Light Oak interior

One thing Prestige Yachts knows how to do is combine luxury with affordability. A perfect example of that is this 500S. Here is a boat with a luxurious layout, tender garage with room for a few extra toys, and three private staterooms including a full beam owner's suite with its own staircase. As for the price, we think this is one of the more positive stories about getting value for your hard-earned money

Manufacturers sea trials have shown that this model powered by twin 435-hp Volvo Penta IPS600 propulsion systems achieved a maximum speed of 34.3 mph (29.8 knots). At this speed she was burning 42.5 gph and has a range of 217 nautical miles. Best cruise was found at 2250 rpm where the boat was just over the hump on plane going 16.8 mph (14.6 knots), burning 14.5 gph, getting exactly 1.0 nmpg for a range of 311 nautical miles. At 2750 she will hit 20.0 knots and get .89 nmpg.

Well maintained and a breeze to handle at the dock due to the Dual Station IPS Drive Joystick Controls the Elora Greyson is a pleasure to operate. She spends her Winters in indoor storage and the teak was recently cleaned and aft table gloss varnished. When you enter the marina you will be met with complements. Arrangements have been made for 2020 indoor storage in the northeast if buyer is interested. Currently in Stamford, Ct.

Basic Information

Category: Cruiser

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 50' 0" (15.24m)

Beam: 14' 9" (4.50m)
