## Overview

---

The Caliber 28 was designed by Michael McCreary, N.A., who with his brother, George, ran Caliber Yachts. The Caliber 28 is a remarkable boat for all it manages to pack into 28', even including a private aft cabin, found on very few boats this size. Lollipop II features a Yanmar 2GM20 diesel engine, dodger, bimini, newer sails, roller-furling, all lines led aft to cockpit for ease in shorthanded sailing, bow anchor roller, hot and cold pressurized water, and newer interior cushions. She has been a fixture in Hingham Harbor since 1988. Acquired as a one-year old boat and carefully maintained by its current owners, this stable cruiser has wide decks, warm teak interior and accommodations for five/six. With her relatively wide beam and moderate displacement, Lollipop II is comfortable and stable. Lovingly used for day sails and light cruising from Cape Cod to Maine for the past 32 years, Lollipop's owners have decided to downsize. She's easily available to be seen at her mooring in Hingham Harbor.

## Basic Information

---

# DETAILED INFORMATION

---

## Overview

---

**Accommodations**Sleeps six. Forward cabin features a V berth with filler cushions, shelves outboard, port and starboard, opening hatch overhead. Access to main cabin through teak dutch door. Enclosed athwartships head next aft features newer Raritan marine toilet, stainless steel sink, handheld shower, mirror, teak floor grate, shower drain, storage, hanging locker, and two opening ports. Teak doors allow privacy and access from V-berth and main cabin. Main cabin next aft features settees port and starboard. Port settee has a slide-out extension to convert to a double berth. Shelf storage port and starboard, storage lockers under both berths. A teak, fold-down, bulkhead-mounted, dining table. Shelves on bulkhead for wine and book storage. Multiple brass light fixtures, with the center cabin light switchable red/white for night sailing. Aft to starboard is a private single cabin with hanging locker, storage and louvered teak door. Galley is opposite to starboard. New cabin cushions, throw pillows (1996 and 2003). Cabin shades (8) installed 2001.

**Galley**The galley features a two-burner Origo alcohol stove, icebox, and stainless steel sink with hot and cold pressurized water. Sliding doors provide access to storage outboard. A fold-down counter provides additional prep area.

**Electrical**12 volt DC and 110 volt AC dockside systems. 12 volt DC system includes two 75 ah 12 volt marine batteries, new in 2017 and 2020, battery selector switch, and circuit breaker distribution panel. 110 volt AC system includes circuit breaker distribution panel and shore power cord. Reverse polarity protection. Mast and rigging are grounded to a copper plate on bottom of hull to help prevent lightning damage. The original breaker panel has been supplemented with an additional six-breaker panel with spare capacity. AC shore power outlets in the main cabin and head.

**Electronics and Navigation**Garmin 547 Chartplotter/GPS and Furuno 1621 Radar on swing-arm brackets at companionway (radar not operational at this time). Standard Horizon knot/log and depth sounder mounted on pedestal guard (knot/log not operational at this time, use GPS). Autohelm 4000 autopilot plugs in adjacent to helm (not operational at this time), stores inside companionway. Two VHF radio transceivers: Standard Horizon Quest VHF mounted in cockpit adjacent to helm, Standard Horizon Galaxy VHF in cabin. Antenna switch in main cabin enables the connection of antenna to either VHF. Ritchie SP-5 pedestal-mounted compass.

**Engine and Mechanical**Yanmar 2GM20, 16 hp, fresh water cooled, 1690 hours, regularly and professionally maintained. New exhaust elbow 2017. Impellers, belts filters regularly replaced. 3-blade fixed prop (15 x 12) in place of standard 2-blade. Spare belts for alternator and starter, spare impeller. Extra coolant. Drain hole (and a plug) in the bilge for prevention of water accumulation in bilge during winter storage. Saltwater washdown pump (valve and hose in foredeck anchor locker). Accumulator tank for fresh water system. Raritan PH marine toilet replaced original Groco HF marine toilet. 10 gallon holding tank can be pumped either directly overboard or through deck fitting. Bilge pump with float switch and backflow valve operates via breaker panel and also with main power off.

**Hull and Deck**Fin keel and skeg-hung rudder. Off-white topsides and deck, blue bottom. Non-skid decks. Double lifelines with gates, port and starboard. Braces added to boarding gate stanchions. Edson

pedestal wheel steering. Teak-capped cockpit coamings (wide enough to sit on). Teak stern-mounted outboard motor bracket. Stainless steel stern boarding ladder with teak steps. Cockpit cooler locker with drain. Edson teak, fold-down, pedestal-mounted cockpit table and drink holder (1998). Nine Lewmar opening ports and four Lewmar overhead opening hatches. New forward Lewmar hatch (2004). Replaced lenses in all Lewmar opening ports with new clear Lexan (2006). Nicro solar vents installed in V-berth hatch and on cabin deck. Sails and Rigging Deck stepped mast; VHF coax and electrical wires exit through mast step/plate (not through cabin top). Doyle sail inventory includes: mainsail (2005) with single-line jiffy reefing which enables reefing from cockpit, Doyle 135 Genoa (2005) with UV sunshield, Haarstick cruising spinnaker (1990), used three times. Harken roller-furling system for genoa. All lines led aft. Boom vang. Two headsail halyards. New main halyard and mainsheet (2003). Lewmar traveler with lines led aft for adjustment from cockpit. New topping lift (2015). All three halyards led aft to sheet stoppers. Masthead Windex. Whisker pole (1990) mounted on mast. New genoa sheets (2020). Barient winch inventory includes: two Barient #17 self-tailing genoa sheet winches, one Barient #10P mainsheet winch mounted on starboard coachroof with separate line-stopper and clutch, one Barient #10 halyard winch mounted on port coachroof for all three halyards with line stoppers for all three halyards. Two winch handles are stored in a vinyl holster on the pedestal. Additional Inventory Navy blue Thurston cockpit dodger (1991) with zip-in side panels, all stainless frame (no straps). Navy blue bimini (2004), all stainless frame (no straps); includes zippered panel to connect to dodger. Navy blue mainsail cover (2016). New canvas cover for wheel, instruments, and pedestal guard (2006). 25 lb. CQR anchor on bow sprit with 10' 3/8" chain and 115' 1/2" nylon rode. Fortress FX-11 anchor in foredeck anchor locker with 10' 1/4" chain and 125' 3/8" nylon rode. Jensen JSM AM/FM/CD stereo with two speakers in main cabin and two flush-mounted speakers in cockpit. Set of dishes, cups, cooking utensils, and silverware. Custom teak dish and cup rack. Bulkhead-mounted oil lamp. Bulkhead-mounted brass clock and barometer. Bulkhead-mounted brass inclinometer. Docklines, three fenders with covers, hooks for fenders on port and starboard stanchions, boat hook, three fire extinguishers (one installed in engine compartment, one in companionway, one in cabin). Four adult and two child PFD's. Several Type II buoyant cushions. Lifesling man-overboard system with new cover (2019). Bosun chair. Whale Gusher manual bilge pump with handle. Miscellaneous spare parts and hardware, including any unique tools (Allen wrench for bimini, socket wrenches for radar mount, etc.). 'Plumbers helper' and spare hoses, clamps, hardware and fittings. Set of wooden plugs for emergency. Extra lines (older genoa sheets), Extra bottom paint.

---

## Exclusions

Owner's personal belongings.
