Lazzara Yachts has seen three generations of the Lazzara family design and build semi-custom, composite luxury yachts and superyachts in Tampa, Florida. Founded in 1956 by Vince Lazzara, the shipyard builds contemporary luxury yachts conceived by an in-house team led by design director Joey Lazzara. Vince built Lazzara Yachts' first large fiberglass sailing yacht, and followed her with several successful sailing yacht ventures, SeaRover houseboats, and the popular Gulfstar motorsailers and trawlers, which later merged with Viking Yachts. In 1991, Dick and Brad Lazzara created Lazzara Yacht Corporation. After two years, the first Lazzara 23.75-metre yacht was introduced. Some of the shipyard's most successful models include the Lazzara LSX75, Lazzara LSX Quad 78, Lazzara 80, and Lazzara LSX 92. The shipyard's largest launch is the Lazzara 116 superyacht.

And this 2009 Lazzara 75' LSX is no exception. Highlighting "We' All II" distinctions include the latest pod drive technology powered by four Volvo Penta IPS 600 mains 2,300 RPM-435HP(each) & 1,740HP(total), Onan MDKBT-5957039 27.5kW genset, 3 Volvo Penta joystick control stations, Upgraded inverter and battery system, Charles Solid Power 5000 SP Series 40amp & 60amp battery chargers, LED 24v interior lighting, Full-Nav system including Furuno, Northstar, Nobeltec TimeZero Trident and Lazzara ISIS 500C LSX vessel monitoring and control system, FLIR thermal imaging/night vision/infrared camera system, A/V system including Bose and iPort's, CruiseAir 92,000 BTU six zone airconditioning/heat climate system, Large retractable hydraulic sunroof, KVH Tracvision satellite TV antenna system, CCTV system with PTZ camera in engineroom, SeaRecovery AutoWhisper 450 gpd watermaker, Glendinning CM-8 cablemaster with 75' 100amp/240v/60Hz shorepower cable with wireless remote, ACR Global Fix Pro 406 MHz GPS Epirb, Zodiac 8 person liferaft, Hydraulic large swim platform and tender garage for 10' tender.
