SPECIFICATIONS

Overview

Karayel is an elegant super yacht built by the famous Spanish shipyard Astondoa in 2001 and had a complete refit in 2006 and partial refit in 2017. It's sleek, freshly painted, silver hull enhances her design. Its total length is about 30 meters and is powered by 3 MAN engines of 1,300hp each allowing to reach a cruising speed of 18 knots and a maximum speed of 24 knots. All floors were redone in 2017. Karayel has a large interior space with capacity to sleep up to 10 people, a very large salon and a room between the galley and the salon for the crew to prepare all what guests need. The space offered is undoubtedly the same as on a 35m yacht as well as like its ample equipment list. The fly bridge is one of the best areas thanks to its large solarium, dining table and the wet bar with an exceptional BBQ. Karayel is one of the best yachts for charter in Ibiza and Mallorca of its kind to make you feel like you are in a yacht of much greater length. It has been one of the top choices for people looking to charter a luxury yacht.
