DETAILED INFORMATION

Vessel Walkthrough

"Sea Giuwel" is an extremely clean yacht suitable for fishing or just cruising. An incredible layout forward with a double berth to starboard, Galley to port, dinette to starboard that converts to a double berth. Head with shower to port, up two steps to helm deck with helm and bench seat to starboard. Across is L shaped seating and small table. Aft to large cockpit with additional seating.

Cabin

The cabin on the 2900 Open is a comfortable living quarters that sleeps 4. A double berth with storage below, settee with storage compartment, and hanging locker lays forward. The dinette/lounge is just aft of the forward berth to the starboard, and is convertible to an additional double berth. The galley is on the port side and features a molded fiberglass countertop, molded-in sink with pressure water system, microwave oven, plenty of storage, and refrigerator/freezer. The full fiberglass head is just aft of the galley and has an electric head with 20 gallon holding tank. Cabin features include air conditioning, and a solid, tongue and groove teak and holly cabin sole.

Cockpit

The cockpit of the 2900 Open can be configured for cruising, fishing or both. Features a fiberglass navigation/chart area and drink holders. A curved companion seat with storage is to port. The helm sits starboard. the "Heads up" tilt away helm is consistent with other Tiara's and has plenty of room for flush mounted electronics. The standard helm seat is a back-to-back arrangement. The aft cockpit is spacious and features padded coaming bolsters, flush floor storage boxes, which can be equipped with a macerator and a molded-in transom door.

Options include: Cruising radar antenna arch / swim platform with built-in ladder / curved companion seat / air-conditioning / teak and holly cabin sole.

Hull

The 2900 Open's hull is constructed with a water barrier outer gelcoat layer and hand laid fiberglass with a special formulated resin. The stringers are marine grade plywood and encapsulated in hand laid fiberglass and integrated into the hull. This process creates a solid backbone which makes the 2900 Open ride like a much larger boat than it is. Seacocks and all underwater thru-hull fittings are made of bronze, and a hullside exhaust system is used. The 2900 has four custom oval opening port lights with screens for great ventilation and natural light while below deck. Like Tiara's of larger stature, the 2900 features a hullside ventilation system, and gelcoated boot line graphics.

Deck

The 2900 Open deck's construction is similar to the hull - using a water barrier outer gelcoat and handlaid fiberglass. Tiara's custom diamond pattern non-skid is used on all deck and cockpit surfaces for sure, safe footing. The custom windshield is made of welded aluminum and Solex 1/4" safety glass, and handrails, and a center hinged ventilating section make this windshield one of the safest, strongest, and best-built windshields in the industry. Access to the foredeck is easy with grab rails and a sturdy one-piece welded bow rail. Other deck features include an aluminum deck hatch with screen and privacy cover, flush forward anchor locker with overboard drain, and a fiberglass molded-in bow pulpit with SS roller assembly.

Electronics

- ICOM M330-VHF
- Garmin 7610-GPS
- Richie-Compass
- Garmin-Auto Pilot
- Fusion Stereo
- Searchlight

Electrical System

The electrical system on the 2900 Open features a custom 12v and 120v master distribution panel, amp meter, reverse polarity indicator, one 30 amp 50' shore power cord with adaptor, a two bank 12v battery system and battery charger.

Covers

- Bimini Top with 4 sided enclosure
- Helm
- L Shaped Settee
- Cockpit
- Windshield

Additional Equipment

- 4 rod holders in gunnel
- 6 rod holders on radar arch
- Opening center windshield
- Transom door
- Starboard engine block & riser replaced in 2018
- Trim tabs

Brokers Remarks

Very Clean

TIARA 29 OPEN!!

"Sea Giuwel" is without question the cleanest and most well cared for Tiara 2900 Open on the market!!

She has an amazing layout including the preferred wrap around bench seating on the helm deck and the roomiest cabin that you will find in a boat less than 30'. "Sea Giuwel" has been meticulously maintained by a very loving owner and it shows. From the glossy gelcoat to the well-kept engine room, this boat will impress even the most particular boat buyer.

She is conveniently located in Fort Lauderdale, FL and is available to show.
