Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

DETAILED INFORMATION

Well equipped proven cruiser!

"Whitt" is a well equipped, proven cruiser that has been lovingly maintained and upgraded.

Don't let this one slip away...

Catalina's in-house design team, led by chief designer Gerry Douglas, designed the Catalina 42. Introduced with the 1989 model year, the 42 was the first American built sailboat of this size to offer a three-stateroom layout.

On deck, the Catalina 42 is clean and unobstructed except for deck hatches and handrails. The anchor windlass is located in a foredeck locker to keep it out of the way when not needed. Rigging shrouds are set well inboard to allow effective sheeting angles and easy passage on either side. The mainsheet traveler is located on the cabin top forward of the companionway and out of the way of the dodger and cockpit bimini.

The sailing performance of the Catalina 42 is very respectable, and she has taken her share of silver in club racing. The sail area/displacement ratio of the 42 is a conservative 17, the displacement/length ratio is 196, and the PHRF rating of a stock Catalina 42 is usually around 105.

Highlights

New standing rigging - 2019

New sole - 2015

New cushions - 2015

New Awlgrip (hull) - 2015

New Awlgrip (topsides) - 2017
