SPECIFICATIONS

Overview

Mischievous is a spectacular yacht in that she is a cruising sailboat with sumptuous accommodations below, yet unlike most sumptuous yachts, she is a Ferrari through the water with thoroughbred performance. Moreover, she is easily handled by short crew. Illustrative of her speed, in 2015, she took line honors, first over the line, in the Bermuda Race. And she did so with the crew living lavishly, eating Fettucini Alfredo, and drinking champagne in fluted leaded glass, served by waiters with. So, you get it, she is a cruising yacht that screeches. So, with that said, it should be obvious, she is not your Grandmothers Oldsmobile Station wagon. She has a full interior, hand built gracefully by Sudmen Meriten in Finland and is stylish, fast, complete, ready to sail long distances. She sleeps EIGHT. Two heads. The owners stateroom is aft with private head. There is a large main saloon with fold down dining table. Can you say, lets dance? There are also two extra folding beds in the saloon and a second bathroom forward. There is also a workroom forward. Her owners have done a full restoration to her and have markedly improved her cosmetically and functionally. She is a bargain purchase for the sailor seeking exceptional performance in a superbly fast sturdy yacht, capable of living comfortably aboard, full time, in style.
