## Overview

BRAND NEW LISTING August 2020.BLUE LOBSTER was one of the most special, coveted, customized Vicem 58s built. She has two sumptuous staterooms, the Master being larger than some apartments.She has benefited tremendously from her current ownership in that throughout the entire ownership, improvements have been made, refining her to a higher level. Always cared for by a former Vicem employee, now in South Florida, this is an ultra ready to go cruising yacht, with no apologies.She is for sale only due to a change in the owner's boating plans.One look, and you'll realize this bespoke 58 footer shines past all the others; she is a very special yacht.

# DETAILED INFORMATION

## Overview

**ACCOMMODATIONS AND LAYOUT** With hi gloss teak cabinetry and elegant touches throughout, the interior of BLUE LOBSTER, ex.: Night Watch, is an example of the tremendous finish possible at Vicem Yachts. The floor plan of the 58 Vicem is, in itself, an expression of superior design and thinking. But it's the finish that is so impressive. Epitomizing the best of similar yachts such as the Eastbay 54 and the Hinckley Talaria 55, this classic downeast style yacht has a large cockpit, a beautifully configured salon, lovely wide opening doors to the cockpit and two large staterooms, with the master being extra large. She has two large heads each with a shower. **COCKPIT, SALON:** The salon has a large U shaped settee to port with a dining table doubling as a cocktail table. To starboard is an entertainment center, two moveable swivel chairs, a built in, and disappearing television inside the cabinetry. There is voluminous stowage to starboard. **HELM:** Her helm is to starboard with a double bench, along with a co-pilot area to port, also with a double bench. The **GALLEY:** She has a galley down layout, with large galley to port. The aft part of the galley has her four Sub zero Refrigerator along with freezers. The sink and drawers and **GUEST STATEROOM,** vanity's, bench seating **MASTER STATEROOM** **ELECTRONIC** **ELECTRONICS AND NAVIGATIONAL EQUIPMENT**

- Magnetic Compass

**MECHANICAL** MAN D2848 Twin 900 hp Diesel engines **ELECTRICAL** Blue Lobster has a 12 volt and 24 volt ships electrical system with a 125/250 Volt shore power system for higher loads. She has both 110 and 240v ac systems. Air conditioning systems are Dometic and Cruiseair units as follows: 48000 BTU in main; 16000 BTU in Master, 12000 BTU in guest cabin. The generator is an Onan 17.5kW unit. 7600 hours. **TENDER and HYDRAULIC SWIM PLATFORM** Another of BLUE LOBSTERS unique Hallmark features is the Hydraulically actuated swim platform, allowing the tender to be motored onto the platform, and with the waving of the magic wand, the platform ascends. Different from others, however, is the additionally superb feature of allowing guests to dangle feet in the water. And then, raise the platform out of the water to leave. **DECK EQUIPMENT AND HARDWARE**

- Windshield wipers
- Navigational lights (HELLA)
- 3 LEWMAR/BOMAR size 60 hatches and stainless steel SCHMITT portholes
