14. COMMENTS

The 33.45m 2002 Baglietto-built motor yacht 4US is offered for sale and is an excellent example of a Baglietto 33 Fast Line yacht.

4US yacht has been consistently upgraded and maintained since launch. In 2016 she underwent a huge refit, during which she was given new interiors, new teak decks and a hardtop was fitted to her flybridge.

Most recently, during her annual maintenance at the Seven Stars Shipyard in Italy in 2019, 4US yacht was given an aft repaint, new anodes and her engines and generators were thoroughly serviced.

Designed inside and out by Italian superyacht supremo Francesco Paszkowski, 4US yacht, formerly My Space, is a timeless flybridge yacht with good interior and exterior spaces for socialising and entertaining.

4US yacht can accommodate 10 guests across five cabins, including a full-beam Owner's suite, two doubles and two twin cabins located on the lower deck. There is also room for six crew on board.

Powered by 2 x 2,775Hp/2,040kW MTU 12V 4000 M90 diesel engines, 4US yacht has a top speed of 30 knots and cruises comfortably at 24 knots.

She is RINA classified, which can be reactivated with a survey, making her a potential charter yacht for the right Owner.

- KEY FEATURES

- Stylish modern / contemporary interior
- Refitted with hard top
- Swim platform teak replaced 2018
- Interior completely refitted 2016
- All new teak decks laid 2016
