Engine Type: Inboard

DETAILED INFORMATION

Overview

The Viking 46 Convertible accommodations include two staterooms and two heads. The master stateroom features a queen-size walk around berth with an upholstered headboard and teak end tables, with door and drawer stowage, a large maple-lined hanging locker, an entry credenza, 22-inch flat screen television, xenon overhead lighting, air conditioning with reverse cycle heating and plush carpeting. A private head is forward and highlighted by a spacious and size-able stall shower in the bow. The guest stateroom to port offers the convenience of comfortable upper and lower berths along with the second head and stall shower. The stacked laundry center is located in the companionway.

Taking advantage of the yacht's generous beam, the salon is warm, inviting, and fully accented with beautiful teak joinery in satin finish. The layout outshines anything in its class with a roomy island and twin bar stools in the walk-through galley. Counter space topped with polished Corian hints at the size-able stowage space below, including under counter refrigeration in slide out drawers. Other appliances are concealed behind teak cabinetry. A plush L-shaped sofa to port has rod stowage below and the dinette is forward. The main backlit electrical panel is at eye level upon entering the salon for ease of use and the home entertainment system includes a 37-inch flat screen television, Bose LS18 DVD/CD player and FM stereo with surround sound and powered subwoofer.
