SPECIFICATIONS

Overview

TIENNA, a 1991 Guy Couach 2701 designed by Franck Reynaud is on the market and available for sale. She is an elegant cruiser with a timeless shape. She features a very large flybridge that offers a sunbathing area astern, an outdoor galley with sink, BBQ and fridge unit as well as the helm station with a perfect overview. The electrical hardtop covers the whole flybridge area and can be retracted or deployed within seconds, just at the push of a button. Her cockpit and saloon area are both comfortable and large. She features two dining areas, one in the saloon and another dinette close to the helm station. The owner cabin with en-suite bathroom, including a bathtub, is located midship below the saloon area. Three more spacious guest cabins, all with en-suite bathrooms and double beds, offer comfortable accommodation for up to another six guests onboard. The whole area below the deck is equipped with heating and air condition. TIENNA has only 3,350 engine hours and is ready for sailing. Her berth in Ravenna can be taken over as well, either through purchase or rent from the current owner. Engines and generators were serviced in September 2021.

Basic Information
