## The Handyman's Dream!

The Handyman's Dream!

The Beneteau 411 is well known for its phenomenal sailing performance and sea-kind hull. The cockpit and the deck are spacious and easy to move around. The interior layout would be outstanding for living-aboard. The 3 stateroom head design gives you plenty of flexibility. This cruiser has no limitations.

Beneteau boats have shown to retain their value over time better than any other brand of boats on the water. Beneteau is consistently rewarded for its excellence in boat production and customer satisfaction. Bodacious is a well designed sailboat with good bones and a reputable builder.

This is a project boat that has the potential to be the gem of the marina. This boat is priced well below market value to factor in the cost of the project. Boats similar are selling between \$120,000 and \$150,000. If you are looking to capitalize on your investment, this could be the one!
